PREAMBLE

WHEREAS, Test Company, a Wisconsin C Corporation (the "Plan Sponsor"), adopted a qualified retirement plan for the benefit of its eligible employees, effective January 1, 1999;

NOW, THEREFORE, the Plan Sponsor hereby amends and restates the Test Company Profit Sharing Plan, effective as of January 1, 2008 (except as otherwise noted) pursuant to the following provisions:

ARTICLE 1  
INTRODUCTION

Section 1.01 PLAN AND TRUST

The Plan Sponsor hereby amends and restates this Plan, effective January 1, 2008. This Plan and its related Trust are intended to qualify as a tax-exempt profit-sharing plan and trust under Code sections 401(a) and 501(a), respectively.

Section 1.02 APPLICATION OF AMENDED AND RESTATED PLAN AND TRUST

Except as otherwise specifically provided herein, the provisions of this amended and restated Plan shall apply to those individuals who are Eligible Employees of the Company on or after January 1, 2008. Except as otherwise specifically provided for herein, the rights and benefits, if any, of former Eligible Employees of the Company whose employment terminated prior to January 1, 2008, shall be determined under the provisions of the Plan, as in effect from time to time prior to that date.

ARTICLE 2  
DEFINITIONS

"Account" means the balance of a Participant's interest in the Trust Fund as of the applicable date as adjusted pursuant to Article 9. "Account" or "Accounts" shall include, for any Participant, his Profit Sharing Contribution Account, Rollover Contribution Account, Transfer Account and such other account(s) or subaccount(s) as the Plan Administrator, in its discretion, deems appropriate.

"Alternate Payee" means the person entitled to receive payment of benefits under the Plan pursuant to a Qualified Domestic Relations Order.

"Annual Addition" means the sum of the following amounts credited to a Participant's Account for the Limitation Year:

(a) Company contributions allocated to a Participant's Account, including Profit Sharing Contributions. Company contributions shall also include excess elective deferrals, unless such amounts are distributed no later than the first April 15 following the close of the Participant's taxable year;

(b) forfeitures;

(c) amounts allocated, after March 31, 1984, to an individual medical account, as defined in Code section 415(l)(2), which is part of a pension or annuity plan maintained by the Employer;

(d) amounts derived from contributions paid or accrued after December 31, 1985, in taxable years ending after such date, which are attributable to post-retirement medical benefits, allocated to the separate account of a key employee, as defined in Code section 419A(d)(3), under a welfare benefit fund, as defined in Code section 419(e), maintained by the Employer; and

(e) allocations under a simplified employee pension.

Notwithstanding the foregoing, an Annual Addition shall not include a restorative payment within the meaning of IRS Revenue Ruling 2002-45 and any superseding guidance.

"Annuity Starting Date" means the first day of the first period for which an amount is paid as an annuity or any other form.

"Beneficiary" means the person(s) entitled to receive benefits, under Section 7.04 of the Plan, upon the Participant's death.

"Board" means the Board of Directors of the Plan Sponsor.

"Code" means the Internal Revenue Code of 1986, as amended from time to time.

"Company" means the Plan Sponsor and any other entity that has adopted the Plan with the approval of the Plan Sponsor. Notwithstanding the foregoing, if the Plan Sponsor is a Union, Company shall mean any employer who is a party to collective bargaining agreement with the Plan Sponsor which provides for participation in the Plan by employees of the employer.

"Compensation" means wages within the meaning of Code section 3401(a) and all other payments of compensation to an Employee by the Employer (in the course of the Employer's trade or business) for which the Employer is required to furnish the Employee a written statement under Code sections 6041(d), 6051(a)(3), and 6052.

Compensation shall also include any amount which is contributed by the Company pursuant to a salary reduction agreement and which is not includable in the gross income of the Participant under Code sections 125, 402(e)(3), 402(h), 403(b), 132(f) or 457.

Compensation shall include only that compensation which is actually paid to the Participant by the Company during that part of the Plan Year (or such other period used to determine Compensation for allocation purposes) the Participant is eligible to participate in the Plan.

Compensation shall include other compensation paid by 2-1/2 months after a Participant's severance from employment with the Company if: (a) the payment is regular compensation for services during the Participant's regular working hours, or compensation for services outside the Participant's regular working hours (e.g., overtime or shift differential), commissions, bonuses, or other similar payments; and the payment would have been paid to the Participant prior to a severance from employment if the Participant had continued in employment with the Company. The exclusions from compensation for payments after severance from employment do not apply to payments to a Participant who does not currently perform services for the Company by reason of qualified military service (as that term is used in Code section 414(u)(1)) to the extent those payments do not exceed the amounts the Participant would have received if the individual had continued to perform services for the Company rather than entering qualified military service. To the extent provided in the Plan, Compensation shall include compensation paid to a Participant who is permanently and totally disabled.

Compensation must be determined without regard to any rules under Code section 3401(a) that limit the remuneration included in wages based on the nature or location of the employment or the services performed (such as the exception for agricultural labor in Code section 3401(a)(2)). For any Self-Employed Individual covered under the Plan, Compensation will mean Earned Income.

For any Plan Year, the annual compensation of each Participant taken into account in determining allocations for any Plan Year beginning after December 31, 2001, shall not exceed \$200,000, as adjusted for cost-of-living increases in accordance with Code section 401(a)(17)(B). Annual compensation means Compensation during the Plan Year or such other consecutive 12-month period over which Compensation is otherwise determined under the Plan

(the determination period). The cost-of-living adjustment in effect for a calendar year applies to annual compensation for the determination period that begins with or within such calendar year.

If a determination period consists of fewer than 12 months, the annual Compensation limit is an amount equal to the otherwise applicable annual Compensation limit multiplied by a fraction, the numerator of which is the number of months in the short determination period, and the denominator of which is 12.

"Determination Date" means the last day of the preceding Plan Year.

"Disabled" or "Disability" means a finding by the Plan Administrator that the Participant is eligible to receive benefits under a Company-sponsored disability plan. The determination of Disability shall be made by the Plan Administrator.

"Earned Income" means the net earnings from self-employment in the trade or business with respect to which the Plan is established, for which personal services of the individual are a material income-producing factor. Net earnings will be determined without regard to items not included in gross income and the deductions allocable to such items. Net earnings are reduced by contributions by the Employer to a qualified plan to the extent deductible under Code section 404. Net earnings shall be determined with regard to the deduction allowed to the taxpayer by Code section 164(f) for taxable years beginning after December 31, 1989.

"Effective Date" means January 1, 2008; provided, however, that when a provision of the Plan states an effective date other than January 1, 2008, such stated specific effective date shall apply as to that provision. The Plan is an amendment and restatement of a Plan that was originally effective January 1, 1999.

"Eligibility Computation Period" means a 12 consecutive month period beginning with an Employee's Employment Commencement Date; provided however, his succeeding Eligibility Computation Period for such purpose will switch to the Plan Year, beginning with the Plan Year that includes the first anniversary of his Employment Commencement Date. An Employee who is credited with a Year of Eligibility Service in both the initial Eligibility Computation Period and the first Plan Year which commences prior to the first anniversary of the Employee's initial Eligibility Computation Period will be credited with two Years of Eligibility Service.

"Eligible Employee" means any Employee employed by the Company subject to the following exclusions:

The term "Eligible Employee" shall exclude any Employee who is included in a unit of Employees covered by a collective bargaining agreement, if retirement benefits were the subject of good faith bargaining, and if the collective bargaining agreement does not provide for participation in this Plan.

The term "Eligible Employee" shall not include any Leased Employees.

The term "Eligible Employee" shall not include any Employee who is a non-resident alien who received no earned income (within the meaning of Code section 911(d)(2)) which constitutes income from services performed within the United States (within the meaning of Code section 861(a)(3)).

If an individual is subsequently reclassified as, or determined to be, an Employee by a court, the Internal Revenue Service or any other governmental agency or authority, or if the Company is required to reclassify such individual an Employee as a result of such reclassification determination (including any reclassification by the Company in settlement of any claim or action relating to such individual's employment status), such individual shall not become an Eligible Employee by reason of such reclassification or determination.

In addition, an individual who becomes employed by the Employer in a transaction between the Employer and another entity that is a stock or asset acquisition, merger, or other similar transaction involving a change in the employer of the employees of the trade or business shall not become eligible to participate in the Plan until such time as the Plan Sponsor specifically authorizes such participation.

"Employee" means any individual who is employed by the Employer, including a Self-Employed Individual. The term "Employee" includes any Leased Employee of the Employer. No Leased Employee may become a Participant hereunder unless he becomes an Eligible Employee. The term "Employee" shall not include a person who is classified by the Employer as an independent contractor or a person (other than a Self-Employed Individual) who is not treated as an employee for purposes of withholding federal employment taxes.

"Employer" means the Company or any other employer required to be aggregated with the Company under Code sections 414(b), (c), (m) or (o); provided, however, that "Employer" shall not include any entity or unincorporated trade or business prior to the date on which such entity, trade or business satisfies the affiliation or control tests described above. In identifying "Employer" for purposes of Section 5.01, the definition in Code sections 414(b) and (c) shall be modified as provided in Code section 415(h).

"Employment Commencement Date" means the first date on which the Eligible Employee performs an Hour of Service.

"ERISA" means the Employee Retirement Income Security Act of 1974, all amendments thereto and all federal regulations promulgated pursuant thereto.

"Highly Compensated Employee" means, effective for Plan Years beginning after December 31, 1996, any Employee who during the Plan Year performs services for the Employer and who:

(a) was a More Than 5% Owner at any time during the Plan Year or the preceding Plan Year; or

(b) during the preceding Plan Year received Testing Compensation in excess of the Code section 414(q)(1) amount (\$80,000 as adjusted).

The determination of who is a Highly Compensated Employee will be made in accordance with Code section 414(q) and the regulations thereunder to the extent they are not inconsistent with the method established above.

The term Highly Compensated Employee also includes a former Employee who was a Highly Compensated Employee when he separated from service or at any time after attaining age 55.

"Hour of Service" means:

(a) Each hour for which an Employee is paid, or entitled to payment, for the performance of duties for the Employer. These hours will be credited to the Employee for the computation period in which the duties are performed.

(b) Each hour for which an Employee is paid, or entitled to payment, by the Employer on account of a period of time during which no duties are performed (irrespective of whether the employment relationship has terminated) due to vacation, holiday, illness, incapacity (including disability), layoff, jury duty, military duty or leave of absence. No more than 501 hours of service will be credited under this paragraph for any single continuous period (whether or not such period occurs in a single computation period). Hours under this paragraph will be calculated and credited pursuant to DOL Reg. section 2530.200b-2 which is incorporated herein by this reference.

(c) Each hour for which back pay, irrespective of mitigation of damages, is either awarded or agreed to by the Employer. The same hours of service will not be credited both under paragraph (a) or paragraph (b), as the case may be, and under this paragraph (c). These hours will be credited to the Employee for the computation period or periods to which the award or agreement pertains rather than the computation period in which the award, agreement or payment is made.

Solely for purposes of determining whether a One-Year Break in Service has occurred, an individual who is absent from work for maternity or paternity reasons shall receive credit for the hours of service which would otherwise have been credited to such individual but for such absence, or in any case in which such hours cannot be determined, 8 hours of service per day of such absence. For purposes of this paragraph, an absence from work for maternity or paternity reasons means an absence (1) by reason of the pregnancy of the individual, (2) by reason of a birth of a child of the individual, (3) by reason of the placement of a child with the individual in connection with the adoption of such child by such individual, or (4) for purposes of caring for such child for a period beginning immediately following such birth or placement. The hours of service credited under this paragraph shall be credited (1) in the computation period in which the absence begins if the crediting is necessary to prevent a break in service in that period, or (2) in all other cases, in the following computation period.

Notwithstanding the foregoing, for determining service under the elapsed time method, an Hour of Service means each hour for which an Employee is paid or entitled to payment for the performance of duties for the Employer.

If the Employer is a member of an affiliated service group (under Code section 414(m)), a controlled group of corporations (under Code section 414(b)), a group of trades or businesses under common control (under Code section 414(c)) or any other entity required to be aggregated with the Employer pursuant to Code section 414(o), service will be credited for any employment with such groups during the time the Employer is a member of the applicable group. Service will also be credited for any individual considered an Employee for purposes of this Plan under Code sections 414(n) or 414(o).

If the Employer maintains the plan of a predecessor employer, service with such employer will be treated as service for the Employer.

Service with respect to qualified military service shall be credited in accordance with Code section 414(u) and service shall also be determined to the extent required by the Family and Medical Leave Act of 1993.

"Investment Fiduciary" means the persons designated pursuant to Section 12.02.

"Investment Funds" means the funds in which the Trust Fund is invested.

"Investment Manager" means an investment manager as described in section 3(38) of ERISA.

"Key Employee" means for Plan Years beginning after December 31, 2001, any employee or former employee (including any deceased employee) who at any time during the Plan Year that includes the Determination Date is an officer of the Employer having an annual Testing Compensation greater than \$130,000 (as adjusted under Code section 416(i)(1) for Plan Years beginning after December 31, 2002), a More Than 5% Owner of the Employer, or a 1-percent owner of the Employer having Testing Compensation of more than \$150,000. In determining whether a plan is top-heavy for Plan Years beginning before January 1, 2002, Key Employee means any employee or former employee (including any deceased employee) who at any time during the 5-year period ending on the Determination Date, is an officer of the Employer having Testing Compensation that exceeds 50 percent of the dollar limitation under Code section 415(b)(1)(A), an owner (or considered an owner under Code section 318) of one of the ten largest interests in the Employer if such individual's Testing Compensation exceeds 100 percent of the dollar limitation under Code section 415(c)(1)(A), a More than 5% Owner of the Employer, or a 1-percent owner of the Employer who has Testing Compensation of more than \$150,000. The determination of who is a Key Employee will be made in accordance with Code section 416(i)(1) and the applicable regulations and other guidance of general applicability issued thereunder.

"Leased Employee" means any person (other than an employee of the Employer) who pursuant to an agreement between the Employer and any other person ("leasing organization")

has performed services for the Employer (or for the Employer and related persons determined in accordance with Code section 414(n)(6)) on a substantially full time basis for a period of at least one year, and such services are performed under primary direction or control by the Employer. Contributions or benefits provided a Leased Employee by the leasing organization which are attributable to services performed for the Employer shall be treated as provided by the Employer. A person shall not be considered a Leased Employee if: (i) such person is covered by a money purchase pension plan providing: (1) a nonintegrated employer contribution rate of at least 10 percent of compensation, as defined in Code section 415(c)(3), but including amounts contributed pursuant to a salary reduction agreement which are excludable from the employee's gross income under Code sections 125, 402(e)(3), 402(h), 403(b), 132(f) or 457, (2) immediate participation, and (3) full and immediate vesting; and (ii) Leased Employees do not constitute more than 20 percent of the Employer's nonhighly compensated work force.

"Limitation Year" means the Plan Year. All qualified plans maintained by the Employer must use the same Limitation Year. If the Limitation Year is amended to a different 12-consecutive month period, the new Limitation Year must begin on a date within the Limitation Year in which the amendment is made.

"More Than 5% Owner" means any person who owns (either directly or by attribution, under Code section 318) more than 5% of the outstanding stock of the Employer or stock possessing more than 5% of the total combined voting power of all stock of the Employer or, in the case of an unincorporated business, any person who owns more than 5% of the capital or profits interest in the Employer. For purposes of Section 7.05, a Participant is treated as a More than 5% Owner if such participant is a More than 5% Owner at any time during the Plan Year ending with or within the calendar year in which such owner attains age 70-1/2 and shall continue to be considered a More than 5% Owner (and distributions must continue under Section 7.05) even if the Participant ceases to be a 5-percent owner in a subsequent year.

"Non-Key Employee" means any Employee or former Employee who is not a Key Employee.

"Nonhighly Compensated Employee" means an Employee who is not a Highly Compensated Employee.

"Normal Retirement Age" means the later of: (i) attainment of age 65, and (ii) the fifth anniversary of Plan participation.

"One-Year Break in Service" means, for purposes of determining eligibility service, an Eligibility Computation Period or, for purposes of determining a Year of Vesting Service, a Vesting Computation Period during which an Employee is credited with 500 or fewer Hours of Service.

"One-Year Period of Severance" means a Period of Severance of at least 12 consecutive months. In the case of an individual who is absent from work for maternity or paternity reasons, the 12-consecutive month period beginning on the first anniversary of the first date of such absence shall not constitute a One-Year Period of Severance. For purposes of this paragraph, an

absence from work for maternity or paternity reasons means an absence (1) by reason of the pregnancy of the individual, (2) by reason of the birth of a child of the individual, (3) by reason of the placement of a child with the individual in connection with the adoption of such child by such individual, or (4) for purposes of caring for such child for a period beginning immediately following such birth or placement.

"Participant" means an Eligible Employee who participates in the Plan in accordance with Article 3.

"Period of Severance" means a continuous period of time during which the Employee does not perform an Hour of Service for the Employer. Such period begins on the date the Employee retires, dies, quits or is discharged, or if earlier, the 12 month anniversary of the date on which the Employee was otherwise first absent from service.

"Permissive Aggregation Group" means the Required Aggregation Group of plans, plus any other plan or plans of the Employer which, when considered as a group with the Required Aggregation Group, would continue to satisfy the requirements of Code sections 401(a)(4) and 410.

"Plan" means the Test Company Profit Sharing Plan, as set forth in this instrument and any amendments or supplements thereto.

"Plan Administrator" means the person(s) designated pursuant to Section 12.01 of the Plan.

"Plan Sponsor" means Test Company and any successor thereto.

"Plan Year" means the 12-consecutive month period ending on each December 31.

"Present Value" means a benefit in a defined benefit plan of equivalent value.

"Profit Sharing Contribution" means a contribution made by the Company that is allocated to a Participant's Profit Sharing Contribution Account pursuant to Article 4.

"Profit Sharing Contribution Account" means so much of a Participant's Account as consists of Profit Sharing Contributions (and corresponding earnings) made to the Plan.

"Qualified Domestic Relations Order" means any judgment, decree, or order (including approval of a property settlement agreement) that constitutes a "qualified domestic relations order" within the meaning of Code section 414(p).

"Qualified Joint and Survivor Annuity" means for a married Participant, an immediate annuity for the life of the Participant with a survivor annuity for the life of the Participant's spouse which is 50 percent of the amount of the annuity which is payable during the joint lives of the Participant and the spouse and which is the amount of benefit which can be purchased with the Participant's vested Account balance. For a single Participant, a Qualified Joint and Survivor

Annuity means an immediate annuity for the life of the Participant and which is the amount of benefit which can be purchased with the Participant's vested Account balance. The terms of such annuity contract shall comply with the provisions of this Plan and the annuity contract shall be nontransferable.

"Required Aggregation Group" means (a) each qualified plan of the Employer in which at least one Key Employee participates or participated at any time during the Plan Year containing the Determination Date or any of the four preceding Plan Years (regardless of whether the Plan has terminated), and (b) any other qualified plan of the Employer which enables a plan described in (a) to meet the requirements of Code sections 401(a)(4) or 410.

"Required Beginning Date" means April 1 of the calendar year following the later of the calendar year in which the Participant attains age 70-1/2 or the calendar year in which the Participant retires, except that benefit distributions to a More Than 5% Owner must commence by April 1 of the calendar year following the calendar year in which the Participant attains age 70-1/2.

"Rollover Contribution" means an Employee contribution made to the Plan as a rollover from another eligible retirement plan or individual retirement account pursuant to Article 4 of the Plan.

"Rollover Contribution Account" means so much of a Participant's Account as consists of a Participant's Rollover Contributions (and corresponding earnings) made to the Plan.

"Self-Employed Individual" means any individual who has Earned Income for the taxable year from the trade or business for which the Plan is established, including an individual who would have Earned Income but for the fact that the trade or business had no net profits for the taxable year. An individual shall not be a Self-Employed Individual unless he or she is also an owner of the Company.

"Termination" and "Termination of Employment" means any absence from service that ends the employment of the Employee with the Employer.

"Testing Compensation" means wages within the meaning of Code section 3401(a) and all other payments of compensation to an Employee by the Employer (in the course of the Employer's trade or business) for which the Employer is required to furnish the Employee a written statement under Code sections 6041(d), 6051(a)(3), and 6052. Testing Compensation must be determined without regard to any rules under Code section 3401(a) that limit the remuneration included in wages based on the nature or location of the employment or the services performed (such as the exception for agricultural labor in Code section 3401(a)(2)). For any Self-Employed Individual, Testing Compensation shall mean Earned Income.

Testing Compensation shall include any amount which is contributed by the Company pursuant to a salary reduction agreement and which is not includible in the gross income of the Participant under Code sections 125, 402(e)(3), 402(h), 403(b), 132(f) or 457.

Testing Compensation shall include other compensation paid by 2-1/2 months after a Participant's severance from employment with the Company if: (a) the payment is regular compensation for services during the Participant's regular working hours, or compensation for services outside the Participant's regular working hours (e.g., overtime or shift differential), commissions, bonuses, or other similar payments; and the payment would have been paid to the Participant prior to a severance from employment if the Participant had continued in employment with the Company. The exclusions from compensation for payments after severance from employment do not apply to payments to a Participant who does not currently perform services for the Company by reason of qualified military service (as that term is used in Code section 414(u)(1)) to the extent those payments do not exceed the amounts the Participant would have received if the individual had continued to perform services for the Company rather than entering qualified military service. To the extent provided in the Plan, Testing Compensation shall include compensation paid to a Participant who is permanently and totally disabled.

Notwithstanding any other provision hereof to the contrary, the annual Testing Compensation of each Employee taken into account under the Plan for any Plan Year shall not exceed the amount in effect for such year under Code section 401(a)(17). If a Plan Year consists of fewer than 12 months, the applicable limitation under Code section 401(a)(17) will be multiplied by a fraction, the numerator of which is the number of months in such year, and the denominator of which is 12.

"Top-Heavy Ratio" means:

(a) If the Employer maintains one or more defined contribution plans (including any simplified employee pension plan) and the Employer has not maintained any defined benefit plan which during the five-year period ending on the Determination Date(s) has or has had accrued benefits, the Top-Heavy Ratio for this Plan alone or for the Required or Permissive Aggregation Group, as appropriate, is a fraction, the numerator of which is the sum of the account balances of all Key Employees as of the Determination Date(s), including any part of any account balance distributed in the one-year period ending on the Determination Date(s), (five-year period ending on the Determination Date in the case of a distribution made for a reason other than severance from employment, death or disability and in determining whether the Plan is Top-Heavy for Plan Years beginning before January 1, 2002), and the denominator of which is the sum of all account balances (including any part of any account balance distributed in the one-year period ending on the Determination Date(s)) (five-year period ending on the Determination Date in the case of a distribution made for a reason other than severance from employment, death or disability and in determining whether the Plan is Top-Heavy for Plan Years beginning before January 1, 2002), both computed in accordance with Code section 416 and the regulations thereunder. Both the numerator and denominator of the Top-Heavy Ratio are increased to reflect any contribution not actually made as of the Determination Date, but which is required to be taken into account on that date under Code section 416 and the regulations thereunder.

(b) If the Employer maintains one or more defined contribution plans (including any simplified employee pension plan) and the Employer maintains or has maintained one or more defined benefit plans which during the five-year period ending on the Determination Date(s) has or has had any accrued benefits, the Top-Heavy Ratio for any Required or Permissive

Aggregation group, as appropriate, is a fraction, the numerator of which is the sum of account balances under the aggregated defined contribution plan or plans for all Key Employees, determined in accordance with (a) above, and the Present Value of accrued benefits under the aggregated defined benefit plan or plans for all Key Employees as of the Determination Date(s), and the denominator of which is the sum of the account balances under the aggregated defined contribution plan or plans for all Participants, determined in accordance with (a) above, and the Present Value of accrued benefits under the defined benefit plan or plans for all Participants as of the Determination Date(s), all determined in accordance with Code section 416 and the regulations thereunder. The accrued benefits under a defined benefit plan in both the numerator and denominator of the Top-Heavy Ratio are increased for any distribution of an accrued benefit made in the one-year period ending on the Determination Date (five-year period ending on the Determination Date in the case of a distribution made for a reason other than severance from employment, death or disability and in determining whether the Plan is Top-Heavy for Plan Years beginning before January 1, 2002).

(c) For purposes of (a) and (b) above the value of account balances and the Present Value of accrued benefits will be determined as of the most recent Valuation Date that falls within or ends with the 12-month period ending on the Determination Date, except as provided in Code section 416 and the regulations thereunder for the first and second Plan Years of a defined benefit plan. The account balances and accrued benefits of a Participant (1) who is a Non Key Employee but who was a Key Employee in a prior year, or (2) who has not been credited with at least one hour of service with any Employer maintaining the Plan at any time during the one-year period (five-year period in determining whether the Plan is Top-Heavy for Plan Years beginning before January 1, 2002) ending on the Determination Date will be disregarded. The calculation of the Top-Heavy Ratio, and the extent to which distributions, rollovers, and transfers are taken into account will be made in accordance with Code section 416 and the regulations thereunder. Deductible employee contributions will not be taken into account for purposes of computing the Top-Heavy Ratio. When aggregating plans the value of account balances and accrued benefits will be calculated with reference to the Determination Dates that fall within the same calendar year.

The accrued benefit of a Non Key Employee shall be determined under: (x) the method, if any, that uniformly applies for accrual purposes under all defined benefit plans maintained by the Employer; or (y) if there is no such method, as if such benefit accrued not more rapidly than the slowest accrual rate permitted under the fractional rule of Code section 411(b)(1)(C).

"Transfer Account" means so much of a Participant's Account as consists of amounts transferred from another eligible retirement plan (and corresponding earnings) pursuant to Article 4 in a transaction that was not an eligible rollover distribution within the meaning of Code section 402.

"Trust Fund" means all of the assets of the Plan held by the Trustee pursuant to Article 10 or held by an insurance company pursuant to section 403 of ERISA.

"Trustee" means Travell Trustee and Tracey Trustee.

"Valuation Date" means the last day of the Plan Year. Notwithstanding anything in the Plan to the contrary and in the event that a Participant is to receive a distribution from the Plan, the Plan Administrator may in its sole discretion declare a special Valuation Date for that portion of the Plan that is not daily-valued in extraordinary situations to protect the interests of Participants in the Plan or the Participant receiving the distribution. Such extraordinary circumstances include a significant change in economic conditions or market value of the Trust Fund.

"Vesting Computation Period" means, for purposes of determining Years of Vesting Service, the Plan Year.

"Year of Eligibility Service" Year of Eligibility Service means an Eligibility Computation Period during which he completes at least 1,000 Hours of Service.

If the Plan provides for fractional Years of Eligibility Service, the requirement to complete any specified hours in the fractional period shall be waived.

All eligibility service with the Employer is taken into account except the following:

**One-Year Holdout.** If an Employee has a One-Year Break in Service (One-Year Period of Severance to the extent the Plan uses the elapsed time method), Years of Eligibility Service before such period will not be taken into account until the Employee has completed a Year of Eligibility Service after returning to employment with the Employer.

**Rule of Parity.** If an Employee does not have any nonforfeitable right to the Account balance derived from Employer contributions, Years of Eligibility Service before a period of five (5) consecutive One-Year Breaks in Service (One-Year Periods of Severance to the extent the Plan uses the elapsed time method) will not be taken into account in computing eligibility service.

If a Participant's Years of Eligibility Service are disregarded pursuant to the foregoing, such Participant will be treated as a new Employee for eligibility purposes. If a Participant's Years of Eligibility Service may not be disregarded pursuant to the foregoing, such Participant shall participate in the Plan pursuant to the terms of Article 3.

"Year of Vesting Service" means a Vesting Computation Period during which the Employee completes at least 1,000 Hours of Service. An Employee shall be credited with ninety-five (95) Hours of Service for each semi-monthly payroll period or partial semi-monthly payroll period of service with the Employer.

All Years of Vesting Service with the Employer are taken into account except that for an Employee who has five consecutive One-Year Breaks in Service (One-Year Periods of Severance to the extent the Plan uses the elapsed time method) and except to the extent provided in Article 6, all periods of service after such breaks in service/periods of severance shall be disregarded for the purpose of vesting the Employee's employer-derived Account balance that accrued before such breaks in service/periods of severance, but except as otherwise expressly

provided, both the service before and after such breaks in service/periods of severance shall count for purposes of vesting the Employee's employer-derived Account balance that accrues after such breaks in service/periods of severance.

Notwithstanding the foregoing, the following service shall not be taken into account in determining Years of Vesting Service:

**One-Year Holdout.** If an Employee has a One-Year Break in Service (One-Year Period of Severance to the extent the Plan uses the elapsed time method), Years of Vesting Service before such period will not be taken into account until the Employee has completed a Year of Vesting Service after returning to employment with the Employer.

**Rule of Parity.** If an Employee does not have any nonforfeitable right to the Account balance derived from Employer Contributions, Years of Vesting Service before a period of five (5) consecutive One-Year Breaks in Service (One-Year Periods of Severance to the extent the Plan uses the elapsed time method) will not be taken into account in computing vesting service. Elective deferrals under a qualified CODA are taken into account for purposes of determining whether a Participant is a nonvested Participant for purposes of Code section 411(a)(6)(D)(iii).

**Service Before Age 18.** Years of Vesting Service before age 18 will not be taken into account in computing vesting service.

## ARTICLE 3 PARTICIPATION

### Section 3.01 PROFIT SHARING CONTRIBUTIONS

Each Eligible Employee as of the Effective Date who was eligible to participate in the Plan with respect to Profit Sharing Contributions immediately prior to the Effective Date shall be a Participant eligible to receive Profit Sharing Contributions pursuant to Article 4 on the Effective Date. Each other Eligible Employee who was not a Participant in the Plan with respect to Profit Sharing Contributions immediately prior to the Effective Date, shall become a Participant eligible to receive Profit Sharing Contributions on the first day of the first month and seventh month of the Plan Year coincident with or next following the date he attains age 21 and he completes one (1) Year of Eligibility Service; provided, that he is an Eligible Employee on that date.

### Section 3.02 TRANSFERS

If a change in job classification or a transfer results in an individual no longer qualifying as an Eligible Employee, such Employee shall cease to be a Participant for purposes of Article 4 (or shall not become eligible to become a Participant) as of the effective date of such change of job classification or transfer. Should such Employee again qualify as an Eligible Employee or if an Employee who was not previously an Eligible Employee becomes an Eligible Employee, he shall become a Participant with respect to the contributions for which the eligibility requirements have been satisfied as of the later of the effective date of such subsequent change of status or the date the Employee meets the eligibility requirements of this Article 3.

### Section 3.03 TERMINATION AND REHIRES

If an Employee has a Termination of Employment, such Employee shall cease to be a Participant for purposes of Article 4 (or shall not become eligible to become a Participant) as of his Termination of Employment. An individual who has satisfied the applicable eligibility requirements set forth in Article 3 as of his Termination date, and who is subsequently reemployed by the Company as an Eligible Employee, shall resume or become a Participant immediately upon his rehire date with respect to the contributions for which the eligibility requirements of this Article 3 have been satisfied. An individual who has not so qualified for participation on his Termination date, and who is subsequently reemployed by the Company as an Eligible Employee, shall be eligible to participate as of the later of the effective date of such reemployment or the date the individual meets the eligibility requirements of this Article 3. The determination of whether a rehired Eligible Employee satisfies the requirements of Article 3 shall be made after the application of any applicable break in service rules.

### Section 3.04 LIMITATIONS ON EXCLUSIONS

(a) Exclusions. Any employee exclusion in the Plan Document shall not be valid to the extent that such exclusion requires that the maximum number of Nonhighly Compensated

Employees with the highest amount of compensation and/or service shall be excluded from participation so that the Plan still meets the coverage requirements of Code section 410(b).

(b) Coverage. The Plan must provide that an Eligible Employee who has attained age 21 and who has completed one Year of Eligibility Service (two Years of Eligibility Service may be used for contributions other than elective deferrals if the Plan provides a nonforfeitable right to 100% of the Participant's applicable Account balance after not more than 2 Years of Eligibility Service) shall commence participation in the Plan no later than the earlier of: (i) the first day of the first Plan Year beginning after the date on which such Eligible Employee satisfied such requirements; or (ii) the date that is 6 months after the date on which he satisfied such requirements.

(c) A Participant shall be treated as benefiting under the Plan for any Plan Year during which the Participant received or is deemed to receive an allocation in accordance with Treas. Reg. section 1.410(b)-3(a). Notwithstanding any provision of the Plan to the contrary, no Participant shall earn an allocation hereunder except as provided under the terms of the Plan as in effect on the last day of the Plan Year after giving effect to all retroactive amendments that may be permitted under applicable Internal Revenue Service procedures and other applicable law; including, without limitation, any amendment permitted under Treas. Reg. 1.401(a)(4)-11.

(d) Eligibility Waiver. The Company may waive any of the Eligibility requirements to participate in the Plan with respect to Profit Sharing Contributions for an Employee who does not otherwise satisfy such requirements. However, in order to qualify for the waiver, the Employee must also be: (i) a Nonhighly Compensated Employee, and (ii) eligible for a nonelective allocation other than Profit Sharing Contributions (including, but not limited to, a Top-Heavy minimum or a safe harbor non-elective allocation).

### Section 3.05 PROCEDURES FOR ADMISSION

The Plan Administrator shall prescribe such forms and may require such data from Participants as are reasonably required to enroll a Participant in the Plan or to effectuate any Participant elections made pursuant to this Article 3.

### Section 3.06 WAIVER

An Employee may irrevocably elect not to participate in the Plan.

## ARTICLE 4 CONTRIBUTIONS

### Section 4.01 PROFIT SHARING CONTRIBUTIONS

(a) Amount of Profit Sharing Contributions. Subject to the limitations described in Article 5, the Company may, in its sole discretion, make Profit Sharing Contributions to the Plan on behalf of each Participant who has completed at least 1,000 Hours of Service during the Plan Year and is employed by the Company on the last day of the Plan Year. Notwithstanding the foregoing, a Participant who terminated employment with the Employer during the Plan Year due to death, Disability or attainment of Normal Retirement Age shall be eligible to receive a Profit Sharing Contribution regardless of whether such Participant meets any service requirement and/or last day requirement set forth in this Subsection.

(b) Allocation of Profit Sharing Contributions. Profit Sharing Contributions shall be allocated to the Profit Sharing Contribution Accounts of each Participant eligible to share in such allocations pursuant to Subsection (a) after the end of the Plan Year. Such Contributions shall be allocated in the ratio that such Participant's Compensation bears to the Compensation of all eligible Participants.

(c) Participant. For purposes of this Section, "Participant" shall mean an Eligible Employee who has met the eligibility requirements of Article 3 with respect to Profit Sharing Contributions.

### Section 4.02 ROLLOVER CONTRIBUTIONS

(a) In General. The Plan may accept Rollover Contributions made in cash (or other form acceptable to the Trustee) on behalf of any Eligible Employee, regardless of whether such Employee has met the applicable age and service requirements of Article 3; but only if the contribution qualifies as a tax-free rollover as defined in Code section 402(c) from: (i) a plan qualified under Code section 401(a); or (ii) a "Conduit Individual Retirement Account", as determined in accordance with procedures established by the Plan Administrator. If it is later determined that the amount received does not qualify as a tax-free rollover, the amount shall be refunded to the Eligible Employee. Rollover Contributions shall be allocated to the Eligible Employee's Rollover Contribution Account. An Eligible Employee who has not yet met any of the eligibility requirements of Article 3 shall be deemed a Participant only with respect to amounts, if any, in his Rollover Contribution Account.

(b) Additional Rollovers. In addition to the Rollover Contributions specified in Subsection (a), the Plan may accept the following Rollover Contributions made on or after January 1, 2002:

(1) A direct rollover of an eligible rollover distribution of after-tax employee contributions from a qualified plan described in Code section 401(a) or 403(a).

(2) Any rollover of an eligible rollover distribution from an annuity contract described in Code section 403(b), excluding after-tax employee contributions.

(3) Any rollover of an eligible rollover distribution from an eligible plan under Code section 457(b) which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state.

(4) Any rollover contribution of the portion of a distribution from an individual retirement account or annuity described in Code sections 408(a) or 408(b) that is eligible to be rolled over and would otherwise be includible in gross income.

#### Section 4.03 TRANSFERS

The Trustee may accept a direct transfer of assets, made without the consent of the affected Employees, from the trustee of any other qualified plan described in Code section 401(a) to the extent permitted by the Code and the regulations and rulings thereunder. In the event assets are transferred to the Plan pursuant to the foregoing sentence, the transferred assets shall be accounted for separately in the Transfer Account of the affected Employees to the extent necessary to preserve a more favorable vesting schedule or any other legally-protected benefits available to such Employees under the transferor plan. The Plan Administrator shall establish a vesting schedule for the Transfer Account; provided that such schedule is not less favorable than the vesting schedule under the transferor plan.

#### Section 4.04 MILITARY SERVICE

Notwithstanding any provision of this Plan to the contrary, contributions, benefits and service credit with respect to qualified military service shall be provided in accordance with Code section 414(u).

#### Section 4.05 TIMING OF CONTRIBUTIONS

Amounts contributed to the Plan with funds provided by Participants will be remitted to the Trustee as soon as practicable, but no later than the fifteenth (15th) business day of the month following the month in which such contributions were received or withheld from the Participant's Compensation unless a longer period is permitted under applicable law or regulation.

#### Section 4.06 MULTIPLE EMPLOYER PLAN

(a) In General. If the Employees of more than one employer within the meaning of Code section 413(c) are covered under the Plan, the provisions of such section shall apply to the Plan. The Plan Administrator may allocate contributions specifically to Participants who are employed by an entity that participates in the Plan and may restrict the allocation of any forfeitures arising hereunder to the entity for which the applicable Participant is or was employed.

(b) Method of Adoption. If this Section 4.06 applies, the Plan Sponsor shall execute a master Plan and each other participating entity shall execute a joinder agreement which contains only those Plan provisions, if any, which may be overridden by an entity other than the Plan Sponsor.

ARTICLE 5  
LIMITATIONS ON CONTRIBUTIONS

Section 5.01 MAXIMUM AMOUNT OF ANNUAL ADDITIONS

(a) General Rule.

(1) One Plan. If the Participant does not participate in, and has never participated in another qualified plan maintained by the Employer or a welfare benefit fund, as defined in Code section 419(e) maintained by the Employer, or an individual medical account, as defined in Code section 415(l)(2), maintained by the Employer, or a simplified employee pension, as defined in Code section 408(k), maintained by the Employer, which provides an Annual Addition, the amount of Annual Additions which may be credited to the Participant's Account for any Limitation Year will not exceed the lesser of the maximum permissible amount specified in Section 5.01(b) or any other limitation contained in this Plan. If the Employer contribution that would otherwise be contributed or allocated to the Participant's Account would cause the Annual Additions for the Limitation Year to exceed such maximum permissible amount, the amount contributed or allocated will be reduced so that the Annual Additions for the Limitation Year will equal the maximum permissible amount.

(2) Multiple Plans. This Subsection 5.01(a)(2) applies if, in addition to this Plan, the Participant is covered under another qualified defined contribution plan maintained by the Employer, a welfare benefit fund maintained by the Employer, an individual medical account maintained by the Employer, or a simplified employee pension maintained by the Employer, that provides an Annual Addition during any Limitation Year. The Annual Additions which may be credited to a Participant's Account under this Plan for any such Limitation Year will not exceed the maximum permissible amount specified in Section 5.01(b) reduced by the Annual Additions credited to a Participant's account under the other qualified defined contribution plans, welfare benefit funds, individual medical accounts, and simplified employee pensions for the same Limitation Year.

(b) Maximum Permissible Amount. For Limitation Years beginning on or after January 1, 2002, the maximum permissible amount is the lesser of:

(1) \$40,000, as adjusted for increases in the cost-of-living under Code section 415(d); or

(2) 100 percent of the Participant's Testing Compensation for the Limitation Year. The compensation limit referred to in this Subsection (b)(2) shall not apply to any contribution for medical benefits after separation from service (within the meaning of Code sections 401(h) or 419A(f)(2)) which is otherwise treated as an Annual Addition. Notwithstanding the preceding sentence, Testing Compensation for purposes of Section 5.01 for a Participant in a defined contribution plan who is permanently and totally disabled (as defined in Code section 22(e)(3)) is the compensation such Participant would have received for the

Limitation Year if the Participant had been paid at the rate of compensation paid immediately before becoming permanently and totally disabled.

Prior to determining the Participant's actual Testing Compensation for the Limitation Year, the Employer may determine the maximum permissible amount for a Participant on the basis of a reasonable estimation of the Participant's Testing Compensation for the Limitation Year, uniformly determined for all Participants similarly situated. As soon as is administratively feasible after the end of the Limitation Year, the maximum permissible amount for the Limitation Year will be determined on the basis of the Participant's actual Testing Compensation for the Limitation Year.

(c) Correction of Excess.

(1) One Plan. If Subsection 5.01(a)(1) applies and if pursuant to an estimate of Testing Compensation in Section 5.01(b) or as a result of the allocation of forfeitures, there is an excess amount the Plan Administrator shall correct such excess pursuant to the terms of Subsections (d) and (e).

(2) Multiple Plans.

(A) In General. If Subsection 5.01(a)(2) applies and the Annual Additions with respect to the Participant under the other plans specified in Subsection 5.01(a)(2) are less than the maximum permissible amount and the Employer contribution that would otherwise be contributed or allocated to the Participant's Account under this Plan would cause the Annual Additions for the Limitation Year to exceed this limitation, the amount contributed or allocated will be reduced so that the Annual Additions under all such plans and funds for the Limitation Year will equal the maximum permissible amount. If the Annual Additions with respect to the Participant under the other plans specified in Subsection 5.01(a)(2) in the aggregate are equal to or greater than the maximum permissible amount, no amount will be contributed or allocated to the Participant's Account under this Plan for the Limitation Year.

(B) Ordering Rule. If pursuant to an estimate of Testing Compensation in Section 5.01(b) or as a result of the allocation of forfeitures, a Participant's Annual Additions under this Plan and such other plans would result in an excess amount for a Limitation Year, the correction shall be first made to this Plan. Any excess amount attributed to this Plan will be disposed in the manner described in Subsections (d) and (e). If an excess still remains and the terms of the other plans do not provide an ordering rule, the excess amount will be deemed to consist of the Annual Additions last allocated, except that Annual Additions attributable to a simplified employee pension will be deemed to have been allocated first, followed by Annual Additions to a welfare benefit fund or individual medical account, regardless of the actual allocation date. If an excess amount was allocated to a Participant on an allocation date that coincides with an allocation date in more than one plan, the excess amount attributed to each such plan will be the product of: (i) the total excess amount allocated as of such date, times (ii) the ratio of (x) the Annual Additions allocated to the Participant for the Limitation Year as of such date under a particular plan to (y) the total Annual Additions allocated to the Participant for

the Limitation Year as of such date under the other defined contribution plans with the same allocation date.

(d) Method of Correcting Company Contributions. Any amount forfeited pursuant to this Section shall be held unallocated in a suspense account for the Limitation Year and allocated and reallocated pursuant to Article 4 in the next Limitation Year and each succeeding Limitation Year if necessary. The suspense account will be applied to reduce future Company contributions for all remaining Participants in the next Limitation Year, and each succeeding Limitation Year if necessary. If a suspense account is in existence at any time during a Limitation Year pursuant to this Section, other than the year in which the excess occurred, all amounts in the suspense account must be allocated and reallocated to Participants' accounts (subject to the Annual Addition limitation) before any Company contributions and Participant contributions which would constitute Annual Additions may be made to the Plan for that Limitation Year. Excess amounts may not be distributed to Participants or former Participants.

ARTICLE 6  
VESTING

Section 6.01 EMPLOYER CONTRIBUTIONS

The Participant's interest in his Profit Sharing Contribution Account shall vest based on his Years of Vesting Service in accordance with the following schedule:

Years of Vesting Service	Vesting Percentage
Less than Two Years	0%
Two Years but less than Three Years	20%
Three Years but less than Four Years	40%
Four Years but less than Five Years	60%
Five Years but less than Six Years	80%
Six or More Years	100%

A Participant shall have a fully vested and nonforfeitable interest in his Rollover Contribution Account.

Notwithstanding the foregoing, a Participant will become fully (100%) vested upon his attainment of Normal Retirement Age while an Employee, his death while an Employee and his suffering a Disability while an Employee.

A Participant's Transfer Account, if any, shall remain subject to the vesting schedule that applied to the Account immediately prior to the transfer.

## Section 6.02 FORFEITURES

(a) **Participants Receiving a Distribution.** A Participant who receives a distribution of the value of the entire vested portion of his Account shall forfeit the nonvested portion of such Account as soon as administratively feasible after such distribution; but no later than the end of the Plan Year following the Plan Year during which such distribution occurred. For purposes of this Section, if the value of a Participant's vested Account balance is zero upon Termination, the Participant shall be deemed to have received a distribution of such vested Account. A Participant's vested Account balance shall not include accumulated deductible employee contributions within the meaning of Code section 72(o)(5)(B) for Plan Years beginning prior to January 1, 1989. If the Participant elects to the extent permitted by Article 7 to have distributed less than the entire vested portion of the Account balance derived from Employer contributions, the part of the nonvested portion that will be treated as a forfeiture is the total nonvested portion multiplied by a fraction, the numerator of which is the amount of the distribution attributable to Employer contributions and the denominator of which is the total value of the vested Employer-derived Account balance. No forfeitures will occur solely as a result of a Participant's withdrawal of employee contributions.

(b) **Participants Not Receiving a Distribution.** The nonvested portion of the Account balance of a Participant who has a Termination of Employment and does not receive a complete distribution of the vested portion of his Account shall be forfeited as soon as administratively feasible after the date he incurs five consecutive One-Year Breaks in Service; but no later than the end of the Plan Year following the Plan Year during which such break in service occurred.

(c) **Reemployment.**

(1) **Before Five One-Year Breaks.** If a Participant receives or is deemed to receive a distribution pursuant to this Section and the Participant resumes employment covered under this Plan, the Participant's Employer-derived Account balance will be restored to the amount on the date of distribution if the Participant repays to the Plan the full amount of the distribution attributable to Employer contributions before the earlier of 5 years after the first date on which the Participant is subsequently reemployed by the Employer, or the date the Participant incurs 5 consecutive One-Year Breaks in Service following the date of the distribution. If a zero-vested Participant is deemed to receive a distribution pursuant to this Section, and the Participant resumes employment covered under this Plan before the date the Participant incurs 5 consecutive One-Year Breaks in Service, upon the reemployment of such Participant, the Employer-derived Account balance of the Participant will be restored to the amount on the date of such deemed distribution. Forfeitures that are restored pursuant to the foregoing shall be accomplished by an allocation of forfeitures, or if such forfeitures are insufficient, by a special Company contribution.

(2) **After Five One-Year Breaks.** If a Participant resumes employment as an Eligible Employee after forfeiting the nonvested portion of his Account balance after 5 consecutive One-Year Breaks in Service and is not fully vested upon reemployment, the Participant's Account balance attributable to his pre-break service shall be kept separate from

that portion of his Account balance attributable to his post-break service until such time as his post-break Account balance becomes fully vested.

(d) Disposition of Forfeitures. Amounts forfeited from a Participant's Account under this Section shall be used to restore forfeitures, reduce Company contributions (or reallocate as Company contributions) made pursuant to Article 4 or to pay reasonable Plan expenses.

(e) Vesting Following In-Service Withdrawals or Payment in Installments. If a distribution is made at a time when a Participant has a nonforfeitable right to less than 100 percent of his Account derived from Employer contributions and the Participant may increase the nonforfeitable percentage in the Account:

(1) A separate account will be established for the Participant's interest in the Plan as of the time of the distribution, and

(2) At any relevant time the Participant's nonforfeitable portion of the separate account will be equal to an amount ("X") determined by the formula:

$$X = P(AB + (R \times D)) - (R \times D)$$

For purposes of applying the formula: P is the nonforfeitable percentage at the relevant time; AB is the Account balance at the relevant time; D is the amount of the distribution; and R is the ratio of the Account balance at the relevant time to the Account balance after distribution.

ARTICLE 7  
DISTRIBUTIONS

Section 7.01 COMMENCEMENT OF DISTRIBUTIONS

(a) Normal Retirement. A Participant, upon attainment of Normal Retirement Age, shall be entitled to retire and to receive his Account as his benefit hereunder pursuant to Section 7.02.

(b) Late Retirement. If a Participant continues in the employ of the Company beyond his Normal Retirement Age, his participation under the Plan shall continue, and his benefits under the Plan shall commence following his actual Termination of Employment pursuant to Section 7.02. Notwithstanding the preceding sentence, a Participant may, at any time after reaching his Normal Retirement Age but before actual retirement, elect to have the Plan Administrator commence the distribution of his benefit pursuant to Section 7.02 from his Account by providing the Plan Administrator with a written election to that effect. Any such written election shall state the date upon which distribution of benefits is to commence and shall be effective upon delivery to the Plan Administrator. If Normal Retirement Age is less than age 59-1/2, the portion of any Account that has been used to satisfy the safe harbor requirements of Code sections 401(k)(12) and/or 401(m)(11) shall not be eligible for withdrawal until the Participant attains age 59-1/2.

(c) Disability Retirement. If a Participant becomes Disabled, he shall become entitled to receive his vested Account pursuant to Section 7.02 following the date he has a Termination of Employment.

(d) Death. If a Participant dies, either before or after his Termination of Employment, his Beneficiary designated pursuant to Section 7.04 shall become entitled to receive the Participant's vested Account pursuant to Section 7.02.

(e) Termination of Employment. A Participant shall become entitled to receive his vested Account pursuant to Section 7.02 following the date he has a Termination of Employment. Effective for distributions and severances from employment occurring after December 31, 2001, a Participant shall not be entitled to a distribution from any Account that has been used to satisfy the safe harbor requirements of Code sections 401(k)(12) and/or 401(m)(11) unless he has had a "severance from employment" within the meaning of Code section 401(k)(2)(B)(i)(I).

Section 7.02 TIMING AND FORM OF DISTRIBUTIONS

(a) Distribution for Reasons Other Than Death. If a Participant's Account balance becomes distributable pursuant to Section 7.01 for any reason other than death and such amount is not required to be distributed in the form of a Qualified Joint and Survivor Annuity pursuant to the following paragraph, payment of his vested Account may commence as soon as administratively feasible with a final payment made consisting of any allocations occurring after

such Termination of Employment. Such Participant's benefit shall be payable, in cash, in one lump sum payment.

Notwithstanding the foregoing, payment of such amount shall be paid in the form of a Qualified Joint and 50% Survivor Annuity pursuant to Section 7.10. If the Participant waives such normal form the Participant may select another form of payment specified above on a form prescribed by the Plan Administrator. If no such selection is made by the Participant payment shall be made in the form of a Qualified Joint and Survivor Annuity pursuant to Section 7.10. No distribution shall be made if the Participant is rehired by the Company before payments commence.

(b) Distribution on Account of Death.

(1) Before Distribution Has Begun. If the Participant dies before distribution of his Account begins and such amount is not required to be distributed in the form of a qualified preretirement survivor annuity pursuant to Section 7.10, distribution of the Participant's Account shall be completed by December 31 of the calendar year containing the fifth anniversary of the Participant's death except that if his spouse is his sole primary Beneficiary, such spouse may make an election to receive distributions in accordance with (A) and (B) below:

(A) Distributions may be made over the life or over a period certain not greater than the life expectancy of the surviving spouse commencing on or before December 31 of the calendar year immediately following the calendar year in which the Participant died;

(B) The surviving spouse may elect to defer commencement of distributions until the later of (i) December 31 of the calendar year immediately following the calendar year in which the Participant died and (ii) December 31 of the calendar year in which the Participant would have attained age 70-1/2.

If the Participant has not made an election as to form of payment by the time of his death, the Participant's spouse must elect the method of distribution no later than the earlier of (i) December 31 of the calendar year in which distributions would be required to begin under this Section, or (ii) December 31 of the calendar year which contains the fifth anniversary of the date of death of the Participant. If the Participant's spouse does not elect a method of distribution, distribution of the Participant's entire interest must be completed by December 31 of the calendar year containing the fifth anniversary of the Participant's death.

If the surviving spouse dies after the Participant, distribution of the Participant's entire Account shall be completed by December 31 of the calendar year containing the fifth anniversary of the surviving spouse's death.

(2) After Distribution has Begun. If the Participant dies after distribution of his Account has begun and if his spouse is his sole primary Beneficiary, the remaining portion of such Account will continue to be distributed at least as rapidly as the method of distribution being used prior to the Participant's death. If the Participant's spouse is not his sole primary Beneficiary and the Participant's Account was not being distributed in the form of an annuity at

the time of his death, distribution of the Participant's entire Account shall be completed by December 31 of the calendar year containing the fifth anniversary of the Participant's death.

The Beneficiary shall provide the Plan Administrator with the death notice or other sufficient documentation before any payments are made pursuant to this Subsection.

(c) Valuation Date. The distributable amount of a Participant's Account is the vested portion of his Account as of the Valuation Date coincident with or next preceding the date distribution is made to the Participant or Beneficiary as reduced by any subsequent distributions, withdrawals or loans.

(d) Ordering Rule. The Plan Administrator shall determine the ordering rule for distributions; provided that such ordering rule is nondiscriminatory. Such ordering rule may provide that the Participant or Beneficiary may elect to have payments made first or last from his Voluntary Contribution Account or in any combination of such accounts and any other Account.

(e) Restriction on Deferral of Payment. Unless otherwise elected, benefit payments under the Plan will begin to a Participant not later than the 60th day after the latest of the close of the Plan Year in which:

- (1) the Participant attains Normal Retirement Age;
- (2) occurs the 10th anniversary of the year in which his participation commenced; or
- (3) the Participant has a Termination of Employment.

(f) Minimum Distribution Requirements. Distributions shall be made in a method that is in conformance with the requirements set forth in Section 7.05. Section 7.05 shall not be deemed to create a type of benefit (e.g., installment payments, lump sum within five years or immediate lump sum payment) to any class of Participants and Beneficiaries that is not otherwise permitted by the Plan.

### Section 7.03 CASH-OUT OF SMALL BALANCES

(a) Vested Account Balance Does Not Exceed \$1,000. Notwithstanding the foregoing, if the vested amount of an Account payable to a Participant or Beneficiary does not exceed \$1,000 at the time such individual becomes entitled to a distribution hereunder (or at any subsequent time established by the Plan Administrator to the extent provided in applicable Treasury Regulations), such vested Account shall be paid in a lump sum to the extent it is not subject to the automatic rollover provisions of Section 7.06(c) below.

(b) Vested Account Balance Exceeds \$1,000. If the value of a Participant's vested Account balance exceeds \$1,000, and the Account balance is immediately distributable, the Participant must consent to any distribution of such Account balance. Notwithstanding the foregoing, payment shall be made in the form of a single lump sum as of the later of age 62 or

the attainment of Normal Retirement Age. The Participant's consent shall be obtained in writing within the 90-day period ending on the Annuity Starting Date. The Plan Administrator shall notify the Participant of the right to defer any distribution until the date such payments must begin pursuant to the foregoing. Such notification shall include a general description of the material features, and an explanation of the relative values of, the optional forms of benefit available under the Plan, and shall be provided no less than 30 days and no more than 90 days prior to the Annuity Starting Date. Except to the extent provided in Section 7.10, distribution may commence less than 30 days after the notice described in the preceding sentence is given, provided the Plan Administrator clearly informs the Participant that he has a right to a period of at least 30 days after receiving the notice to consider the decision of whether or not to elect a distribution (and, if applicable, a particular distribution option), and the Participant, after receiving the notice, affirmatively elects a distribution. In the event a Participant's vested Account balance becomes distributable without consent pursuant to this Subsection (b), and the Participant fails to elect a form of distribution, the vested Account balance of such Participant shall be paid in a single sum except to the extent provided in Section 7.10.

(c) For purposes of this Section 7.03, the Participant's vested Account balance shall not include amounts attributable to accumulated deductible employee contributions within the meaning of Code section 72(o)(5)(B).

(d) Required Distributions and Plan Termination. Consent of the Participant or his spouse shall not be required to the extent that a distribution is required to satisfy Code sections 401(a)(9), 401(k), 401(m), 402(g) or 415. In addition, upon termination of this Plan the Participant's Account balance shall be distributed to the Participant in a lump sum distribution unless payment is made in the form of a Qualified Joint and Survivor Annuity pursuant to Section 7.10. However, if the Employer maintains another defined contribution plan (other than an employee stock ownership plan as defined in Code section 4975(e)(7)), then the Participant's Account balance will be transferred, without the Participant's consent, to the other plan if the Participant does not consent to an immediate distribution.

#### Section 7.04 BENEFICIARY

(a) Beneficiary Designation Right. Except as provided in Section 7.04(b) and Section 7.10, each Participant, and if the Participant has died, the Beneficiary of such Participant, shall have the right to designate one or more primary and one or more secondary Beneficiaries to receive any benefit becoming payable upon such individual's death. To the extent that a Participant's Account is not subject to Section 7.10, the spouse of a married Participant shall be the sole primary beneficiary of such Participant unless the requirements of Subsection (b) are met. To the extent that a Participant's Account is subject to Section 7.10, the spouse of a married Participant shall be the beneficiary of 50% of such Participant's Account unless the spouse waives his or her rights to such benefit pursuant to Section 7.10. All Beneficiary designations shall be in writing in a form satisfactory to the Plan Administrator and shall only be effective when filed with the Plan Administrator during the Participant's lifetime (or if the Participant has died, during the lifetime of the Beneficiary of such Participant who desires to designate a further Beneficiary). Except as provided in Section 7.04(b) or Section 7.10, as applicable, each

Participant (or Beneficiary) shall be entitled to change his Beneficiaries at any time and from time to time by filing written notice of such change with the Plan Administrator.

(b) **Form and Content of Spouse's Consent.** To the extent that a Participant's Account is not subject to Section 7.10, the Participant may designate a Beneficiary other than his spouse pursuant to this Subsection if: (i) the spouse has waived the spouse's right to be the Participant's Beneficiary in accordance with this Subsection; (ii) the Participant has no spouse; or (iii) the Plan Administrator determines that the spouse cannot be located or such other circumstances exist under which spousal consent is not required, as prescribed by Treasury Regulations. If required, such consent: (i) shall be in writing; (ii) shall relate only to the specific alternate beneficiary or beneficiaries designated (or permits beneficiary designations by the Participant without the spouse's further consent); (iii) shall acknowledge the effect of the consent; and (iv) shall be witnessed by a plan representative or notary public. Any consent by a spouse, or establishment that the consent of a spouse may not be obtained, shall not be effective with respect to any other spouse. Any spousal consent that permits subsequent changes by the Participant to the Beneficiary designation without the requirement of further spousal consent shall acknowledge that the spouse has the right to limit such consent to a specific Beneficiary, and that the spouse voluntarily elects to relinquish such right.

(c) **No Designated Beneficiary.** In the event that the Participant fails to designate a Beneficiary, or in the event that the Participant is predeceased by all designated primary and secondary Beneficiaries, the death benefit shall be payable to the Participant's spouse or, if there is no spouse, to the Participant's children in equal shares or, if there are no children to the Participant's estate.

#### Section 7.05 MINIMUM DISTRIBUTION REQUIREMENTS

(a) **General Rules.**

(1) **Effective Date.** Subject to Section 7.10, the requirements of this Section shall apply to any distribution of a Participant's interest and will take precedence over any inconsistent provisions of this Plan. Unless otherwise specified in Subsection (g), the provisions of this Section apply to calendar years beginning after December 31, 2002.

(2) **Construction.** All distributions required under this Section shall be determined and made in accordance with the regulations under Code section 401(a)(9) and the minimum distribution incidental benefit requirement of Code section 401(a)(9)(G). Nothing contained in this Section shall be deemed to create a type of benefit (e.g., installment payments, lump sum within five years or immediate lump sum payment) to any class of Participants and/or Beneficiaries that is not otherwise permitted by the Plan.

(3) **Limits on Distribution Periods.** As of the first distribution calendar year, distributions to a Participant, if not made in a single-sum, may only be made over one of the following periods:

(A) the life of the Participant;

- (B) the joint lives of the Participant and a designated beneficiary;
- (C) a period certain not extending beyond the life expectancy of the Participant; or
- (D) a period certain not extending beyond the joint life and last survivor expectancy of the Participant and a designated beneficiary.

(b) Time and Manner of Distribution.

(1) Required Beginning Date. Unless an earlier date is specified in Section 7.02(b), the Participant's entire interest will be distributed, or begin to be distributed, to the Participant no later than the Participant's Required Beginning Date.

(2) Death of Participant Before Distributions Begin. If the Participant dies before distributions begin, the Participant's entire interest will be distributed, or begin to be distributed, no later than as follows:

(A) If the Participant's surviving spouse is the Participant's sole designated beneficiary, then unless an earlier date is specified in Section 7.02(b), distributions to the surviving spouse will begin by December 31 of the calendar year immediately following the calendar year in which the Participant died, or by December 31 of the calendar year in which the Participant would have attained age 70-1/2, if later.

(B) If the Participant's surviving spouse is not the Participant's sole designated beneficiary, then, unless otherwise specified in Section 7.02(b), distributions to the designated beneficiary will begin by December 31 of the calendar year immediately following the calendar year in which the Participant died.

(C) If there is no designated beneficiary as of September 30 of the year following the year of the Participant's death, the Participant's entire interest will be distributed by December 31 of the calendar year containing the fifth anniversary of the Participant's death unless an earlier date is specified in Section 7.02(b).

(D) If the Participant's surviving spouse is the Participant's sole designated beneficiary and the surviving spouse dies after the Participant but before distributions to the surviving spouse are required to begin, this Subsection (b)(2), other than Subsection (b)(2)(A), will apply as if the surviving spouse were the Participant except as otherwise provided in Section 7.02(b).

For purposes of this Subsection (b)(2) and Subsection (d), unless Subsection (b)(2)(D) applies, distributions are considered to begin on the Participant's Required Beginning Date. If Subsection (b)(2)(D) applies, distributions are considered to begin on the date distributions are required to begin to the surviving spouse under section Subsection (b)(2)(A). If distributions under an annuity purchased from an insurance company irrevocably commence to

the Participant before the Participant's Required Beginning Date (or to the Participant's surviving spouse before the date distributions are required to begin to the surviving spouse under Subsection (b)(2)(A)), the date distributions are considered to begin is the date distributions actually commence.

(3) Forms of Distribution. Unless the Participant's interest is distributed in the form of an annuity purchased from an insurance company or in a single-sum on or before the Required Beginning Date, as of the first distribution calendar year distributions will be made in accordance with Subsections (c) and (d) to the extent otherwise permitted by the Plan. If the Participant's interest is distributed in the form of an annuity purchased from an insurance company, distributions thereunder will be made in accordance with the requirements of Code 401(a)(9) and the regulations.

(c) Required Minimum Distributions During Participant's Lifetime.

(1) Amount of Required Minimum Distribution For Each Distribution Calendar Year. During the Participant's lifetime, the minimum amount that will be distributed for each distribution calendar year is the lesser of:

(A) the quotient obtained by dividing the Participant's account balance by the distribution period in the Uniform Lifetime Table set forth in Treas. Reg. section 1.401(a)(9)-9, Q&A-2 using the Participant's age as of the Participant's birthday in the distribution calendar year; or

(B) if the Participant's sole designated beneficiary for the distribution calendar year is the Participant's spouse, the quotient obtained by dividing the Participant's account balance by the number in the Joint and Last Survivor Table set forth in Treas. Reg. section 1.401(a)(9)-9 using the Participant's and spouse's attained ages as of the Participant's and spouse's birthdays in the distribution calendar year.

(2) Lifetime Required Minimum Distributions Continue Through Year of Participant's Death. Required minimum distributions will be determined under this Subsection (c) beginning with the first distribution calendar year and continuing up to, and including, the distribution calendar year that includes the Participant's date of death.

(d) Required Minimum Distributions After Participant's Death.

(1) Death On or After Date Distributions Begin.

(A) Participant Survived by Designated Beneficiary. If the Participant dies on or after the date distributions begin and there is a designated beneficiary, the minimum amount that will be distributed for each distribution calendar year after the year of the Participant's death is the quotient obtained by dividing the Participant's account balance by the longer of the remaining life expectancy of the Participant or the remaining life expectancy of the Participant's designated beneficiary, determined as follows:

(i) The Participant's remaining life expectancy is calculated using the age of the Participant in the year of death, reduced by one for each subsequent year.

(ii) If the Participant's surviving spouse is the Participant's sole designated beneficiary, the remaining life expectancy of the surviving spouse is calculated for each distribution calendar year after the year of the Participant's death using the surviving spouse's age as of the spouse's birthday in that year. For distribution calendar years after the year of the surviving spouse's death, the remaining life expectancy of the surviving spouse is calculated using the age of the surviving spouse as of the spouse's birthday in the calendar year of the spouse's death, reduced by one for each subsequent calendar year.

(iii) If the Participant's surviving spouse is not the Participant's sole designated beneficiary, the designated beneficiary's remaining life expectancy is calculated using the age of the beneficiary in the year following the year of the Participant's death, reduced by one for each subsequent year.

(B) No Designated Beneficiary. If the Participant dies on or after the date distributions begin and there is no designated beneficiary as of the September 30 of the year after the year of the Participant's death, the minimum amount that will be distributed for each distribution calendar year after the year of the Participant's death is the quotient obtained by dividing the Participant's account balance by the Participant's remaining life expectancy calculated using the age of the Participant in the year of death, reduced by one for each subsequent year.

(2) Death Before Date Distributions Begin.

(A) Participant Survived by Designated Beneficiary. If the Participant dies before the date distributions begin and there is a designated beneficiary, the minimum amount that will be distributed for each distribution calendar year after the year of the Participant's death is the quotient obtained by dividing the Participant's account balance by the remaining life expectancy of the Participant's designated beneficiary, determined as provided in Subsection (d)(1).

(B) No Designated Beneficiary. If the Participant dies before the date distributions begin and there is no designated beneficiary as of September 30 of the year following the year of the Participant's death, distribution of the Participant's entire interest will be completed by December 31 of the calendar year containing the fifth anniversary of the Participant's death.

(C) Death of Surviving Spouse Before Distributions to Surviving Spouse Are Required to Begin. If the Participant dies before the date distributions begin, the Participant's surviving spouse is the Participant's sole designated beneficiary, and the surviving spouse dies before distributions are required to begin to the surviving spouse under Subsection (b)(2)(A), this Subsection (d)(2) will apply as if the surviving spouse were the Participant.

(e) Definitions.

(1) Designated Beneficiary. The individual who is designated by the Participant (or the Participant's surviving spouse) as the beneficiary of the Participant's interest under the plan and who is the designated beneficiary under Code section 401(a)(9) and Treas. Reg. section 1.401(a)(9)-4.

(2) Distribution Calendar Year. A calendar year for which a minimum distribution is required. For distributions beginning before the Participant's death, the first distribution calendar year is the calendar year immediately preceding the calendar year which contains the Participant's Required Beginning Date. For distributions beginning after the Participant's death, the first distribution calendar year is the calendar year in which distributions are required to begin under Subsection (b)(2). The required minimum distribution for the Participant's first distribution calendar year will be made on or before the Participant's Required Beginning Date. The required minimum distribution for other distribution calendar years, including the required minimum distribution for the distribution calendar year in which the Participant's Required Beginning Date occurs, will be made on or before December 31 of that distribution calendar year.

(3) Life expectancy. Life expectancy as computed by use of the Single Life Table in Treas. Reg. section 1.401(a)(9)-9, Q&A-1.

(4) Participant's Account Balance. The account balance as of the last valuation date in the calendar year immediately preceding the distribution calendar year (valuation calendar year) increased by the amount of any contributions made and allocated or forfeitures allocated to the account as of dates in the valuation calendar year after the valuation date and decreased by distributions made in the valuation calendar year after the valuation date. The account balance for the valuation calendar year includes any amounts rolled over or transferred to the Plan either in the valuation calendar year or in the distribution calendar year if distributed or transferred in the valuation calendar year.

(f) TEFRA Section 242(b)(2) Elections.

(1) Notwithstanding any provision in the Plan to the contrary and subject to the requirements of Section 7.10, distribution on behalf of any employee, including a More than 5% Owner, who has made a designation under section 242(b)(2) of the Tax Equity and Fiscal Responsibility Act (a "section 242(b)(2) election") may be made in accordance with all of the following requirements (regardless of when such distribution commences):

(A) The distribution by the plan is one which would not have disqualified such plan under Code section 401(a)(9) as in effect prior to amendment by the Deficit Reduction Act of 1984.

(B) The distribution is in accordance with a method of distribution designated by the employee whose interest in the plan is being distributed or, if the employee is deceased, by a beneficiary of such employee.

(C) Such designation was in writing, was signed by the employee or the beneficiary, and was made before January 1, 1984.

(D) The employee had accrued a benefit under the plan as of December 31, 1983.

(E) The method of distribution designated by the employee or the beneficiary specifies the time at which distribution will commence, the period over which distributions will be made, and in the case of any distribution upon the employee's death, the beneficiaries of the employee listed in order of priority.

(2) A distribution upon death will not be covered by this transitional rule unless the information in the designation contains the required information described above with respect to the distributions to be made upon the death of the employee.

(3) For any distribution which commences before January 1, 1984, but continues after December 31, 1983, the employee, or the beneficiary, to whom such distribution is being made, will be presumed to have designated the method of distribution under which the distribution is being made if the method of distribution was specified in writing and the distribution satisfies the requirements in Subsections (f)(1)(A) and (E).

(4) If a designation is revoked, any subsequent distribution must satisfy the requirements of Code section 401(a)(9) and the regulations thereunder. If a designation is revoked subsequent to the date distributions are required to begin, the Plan must distribute by the end of the calendar year following the calendar year in which the revocation occurs the total amount not yet distributed which would have been required to have been distributed to satisfy Code section 401(a)(9) and the regulations thereunder, but for the section 242(b)(2) election. For calendar years beginning after December 31, 1988, such distributions must meet the minimum distribution incidental benefit requirements. Any changes in the designation will be considered to be a revocation of the designation. However, the mere substitution or addition of another beneficiary (one not named in the designation) under the designation will not be considered to be a revocation of the designation, so long as such substitution or addition does not alter the period over which distributions are to be made under the designation, directly or indirectly (for example, by altering the relevant measuring life).

(5) In the case in which an amount is transferred or rolled over from one plan to another plan, the rules in Treas. Reg. section 1.401(a)(9)-8, Q&A-14 and Q&A-15, shall apply.

(g) Transition Rules.

(1) For plans in existence before 2003, required minimum distributions before 2003 were made pursuant to Subsection (f), if applicable, and Subsections (g)(2) through (g)(4) below.

(2) 2000 and Before. Required minimum distributions for calendar years after 1984 and before the effective dates of superseding regulations specified in Subsections (g)(3) and (g)(4) were made in accordance with Code section 401(a)(9) and the proposed regulations thereunder published in the Federal Register on July 27, 1987 (the "1987 Proposed Regulations").

(3) Proposed Regulations. No required minimum distributions were made pursuant to the proposed regulations under Code section 401(a)(9) published in the Federal Register on January 17, 2001.

(4) Final Regulations. Effective in 2003, required minimum distributions were made pursuant to the Final and Temporary regulations under Code section 401(a)(9) published in the Federal Register on April 17, 2002.

(h) Application of Five Year Rule.

(1) To the extent permitted in Section 7.02(b), if the Participant dies before distributions are required to begin and there is a designated beneficiary, distributions to the designated beneficiary are not required to begin by the date specified in Subsection (b)(2), but the Participant's entire interest may be distributed to the designated beneficiary by December 31 of the calendar year containing the fifth anniversary of the Participant's death. If the Participant's surviving spouse is the Participant's sole designated beneficiary and the surviving spouse dies after the Participant but before distributions to either the Participant or the surviving spouse begin, this election will apply as if the surviving spouse were the Participant.

(2) To the extent permitted in Section 7.02(b), Participants or beneficiaries may elect on an individual basis whether the 5-year rule or the life expectancy rule in Subsections (b)(2), (d)(2) and (h)(1) applies to distributions after the death of a Participant who has a designated beneficiary. The election must be made no later than the earlier of September 30 of the calendar year in which distributions would be required to begin under Subsections (b)(2), or by September 30 of the calendar year which contains the fifth anniversary of the Participant's (or, if applicable, surviving spouse's) death. If neither the Participant nor beneficiary makes an election under this paragraph, distributions will be made in accordance with Subsections (b)(2), (d)(2) and (h)(1).

#### Section 7.06 DIRECT ROLLOVERS

(a) In General. This Section applies to distributions made after December 31, 2001. Notwithstanding any provision of the Plan to the contrary that would otherwise limit a distributee's election under this part, a distributee may elect, at the time and in the manner prescribed by the Plan Administrator, to have any portion of an eligible rollover distribution that is equal to at least \$200 paid directly to an eligible retirement plan specified by the distributee in a direct rollover. If an eligible rollover distribution is less than \$500, a distributee may not make the election described in the preceding sentence to roll over a portion of the eligible rollover distribution.

(b) Definitions.

(1) **Eligible Rollover Distribution.** An eligible rollover distribution is any distribution of all or any portion of the balance to the credit of the distributee, except that an eligible rollover distribution does not include: any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the distributee or the joint lives (or joint life expectancies) of the distributee and the distributee's designated beneficiary, or for a specified period of ten years or more; any distribution to the extent such distribution is required under Code section 401(a)(9); any hardship distribution; the portion of any other distribution(s) that is not includible in gross income (determined without regard to the exclusion for net unrealized appreciation with respect to employer securities); and any other distribution(s) that is reasonably expected to total less than \$200 during a year.

A portion of a distribution shall not fail to be an eligible rollover distribution merely because the portion consists of after-tax employee contributions which are not includible in gross income. However, such portion may be transferred only to an individual retirement account or annuity described in Code section 408(a) or (b), or to a qualified defined contribution plan described in Code section 401(a) or 403(a) that agrees to separately account for amounts so transferred, including separately accounting for the portion of such distribution which is includible in gross income and the portion of such distribution which is not so includible.

(2) **Eligible Retirement Plan.** An eligible retirement plan is an eligible plan under Code section 457(b) which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state and which agrees to separately account for amounts transferred into such plan from this Plan, an individual retirement account described in Code section 408(a), individual retirement annuity described in Code section 408(b), an annuity plan described in Code section 403(a), an annuity contract described in Code section 403(b), or a qualified plan described in Code section 401(a), that accepts the distributee's eligible rollover distribution. The definition of eligible retirement plan shall also apply in the case of a distribution to a surviving spouse, or to a spouse or former spouse who is the alternate payee under a qualified domestic relation order, as defined in Code section 414(p).

(3) **Distributee.** A distributee includes an employee or former employee. In addition, the employee's or former employee's surviving spouse and the employee's or former employee's spouse or former spouse who is the alternate payee under a qualified domestic relations order, as defined in Code section 414(p), are distributees with regard to the interest of the spouse or former spouse.

(4) **Direct Rollover.** A direct rollover is a payment by the Plan to the eligible retirement plan specified by the distributee.

(c) **Automatic Rollovers.** In the event of a mandatory distribution greater than \$1,000 in accordance with the provisions of Section 7.03(a), if the Participant does not elect to have such distribution paid directly to an eligible retirement plan specified by the Participant in a direct rollover or to receive the distribution directly in accordance with Section 7.02, then the

Plan Administrator will pay the distribution in a direct rollover to an individual retirement plan designated by the Plan Administrator. For purposes of determining whether a mandatory distribution is greater than \$1,000, the portion of the Participant's distribution attributable to any rollover contribution is included. This Subsection (c) shall be effective for mandatory distributions made on or after March 28, 2005.

#### Section 7.07 MINOR OR LEGALLY INCOMPETENT PAYEE

If a distribution is to be made to an individual who is either a minor or legally incompetent, the Plan Administrator may direct that such distribution be paid to the legal guardian. If a distribution is to be made to such person and there is no legal guardian, payment may be made to: (i) a parent, (ii) a person holding a power of attorney; (iii) a person authorized to act on behalf of such person under state law, or (iv) the custodian for such person under the Uniform Transfer to Minors Act, if such is permitted by the laws of the state in which such minor resides. Such payment shall fully discharge the Trustee, Plan Administrator, Trust Fund, and the Employer from further liability on account thereof.

#### Section 7.08 MISSING PAYEE

If all or any portion of the distribution payable to a Participant or Beneficiary shall, for a period of more than five years after such distribution becomes payable, remain unpaid because the Plan Administrator has been unable to ascertain the whereabouts of the Participant or Beneficiary after sending a registered letter, return receipt requested, to the last known address of such Participant or Beneficiary, the amount so distributable shall be treated as a forfeiture under Article 6 hereof. Notwithstanding the foregoing, if a claim is subsequently made by the Participant or Beneficiary for the forfeited benefit, such benefit shall be reinstated without any credit or deduction for earnings and losses. Amounts forfeited from a Participant's Account under this Section shall be used to restore forfeitures, reduce Company contributions (or reallocate as Company contributions) made pursuant to Article 4 or to pay Plan expenses.

#### Section 7.09 DISTRIBUTIONS UPON TERMINATION OF PLAN

Except as provided in Sections 7.10 and 13.02, a Participant shall receive the balance of his Account in a lump sum payment upon termination of the Plan without the establishment of an alternative defined contribution plan (as described in Treas. Reg. section 1.401(k)-2(d)(4)) other than an employee stock ownership plan (as defined in Code section 4975(e) or Code section 409), a simplified employee pension plan (as defined in Code section 408(k)), a SIMPLE IRA Plan (defined in Code section 408(p)), a plan or contract that satisfies the requirements of Code section 403(b), or a plan that is described in Code section 457(b) or (f).

## Section 7.10 JOINT AND SURVIVOR ANNUITIES

(a) Application. Notwithstanding any provision to the contrary, this Section shall apply if the Participant's Account exceeds \$5,000 at the time such individual becomes entitled to a distribution hereunder (or at any subsequent time established by the Plan Administrator to the extent provided in applicable Treasury Regulations).

(b) Qualified Joint and Survivor Annuity. Unless otherwise elected pursuant to Subsection (d) below, a Participant's vested Account balance, to the extent provided in Subsection (a) above, will be paid to him by the purchase and delivery of an annuity in the form of a Qualified Joint and Survivor Annuity.

A Participant may waive the Qualified Joint and Survivor Annuity during a period that begins on the first day of the 90 day period ending on the Annuity Starting Date and ends on the later of the Annuity Starting Date or the 30th day after the Plan Administrator provides the Participant with a written explanation of the Qualified Joint and Survivor Annuity. The Plan Administrator shall no less than 30 days and no more than 90 days prior to the Annuity Starting Date provide each Participant a written explanation of: (i) the terms and conditions of a Qualified Joint and Survivor Annuity; (ii) the Participant's right to make and the effect of an election to waive the Qualified Joint and Survivor Annuity form of benefit; (iii) the rights of a Participant's spouse; and (iv) the right to make, and the effect of, a revocation of a previous election to waive the Qualified Joint and Survivor Annuity.

The Annuity Starting Date for a distribution in a form other than a Qualified Joint and Survivor Annuity may be less than 30 days after receipt of the written explanation described in the preceding paragraph provided: (i) the Participant has been provided with information that clearly indicates that the Participant has at least 30 days to consider whether to waive the Qualified Joint and Survivor Annuity and elect (with spousal consent) a form of distribution other than a Qualified Joint and Survivor Annuity; (ii) the Participant is permitted to revoke any affirmative distribution election at least until the Annuity Starting Date or, if later, at any time prior to the expiration of the 7-day period that begins the day after the explanation of the Qualified Joint and Survivor Annuity is provided to the Participant; and (iii) the Annuity Starting Date is a date after the date that the written explanation was provided to the Participant.

(c) Qualified Preretirement Survivor Annuity. Unless otherwise elected within the applicable election period and to the extent provided in Subsection (a) above, if a Participant dies before the Annuity Starting Date then 50% of the Participant's vested Account balance shall be applied toward the purchase of an annuity for the life of the surviving spouse which shall be distributed to the spouse. The surviving spouse may direct the commencement of payments under the qualified preretirement survivor annuity within a reasonable time after the Participant's death. The terms of such annuity contract shall comply with the provisions of this Plan and the annuity contract shall be nontransferable. The applicable election period shall be the period which begins on the first day of the Plan Year in which the Participant attains age 35 and ends on the date of the Participant's death. If a Participant separates from service prior to the first day of the Plan Year in which he attains age 35, the election period shall begin on the date of separation. A Participant who has not yet attained age 35 may waive the annuity specified in this Subsection

(c); provided, that (i) the Participant receives a written explanation pursuant to the following paragraph; and (ii) such election is not effective as of the first day of the Plan Year in which the Participant attains age 35. Any new waiver on or after such date shall be subject to the full requirements of this Subsection. Notwithstanding anything in this Section to the contrary, the surviving spouse may elect, in writing, to have the Account balance be distributed pursuant to Section 7.02(b).

The Plan Administrator shall provide each Participant within the applicable period for such Participant a written explanation of the annuity described in this Subsection (c) in such terms and in such manner as would be comparable to the explanation provided for meeting the requirements of Subsection (b) applicable to a Qualified Joint and Survivor Annuity. The applicable period for a Participant is whichever of the following periods ends last: (i) the period beginning with the first day of the Plan Year in which the Participant attains age 32 and ending with the close of the Plan Year preceding the Plan Year in which the Participant attains age 35; (ii) a reasonable period ending after the individual becomes a Participant; or (iii) within a reasonable period ending after Termination of Employment in the case of a Participant who separates from service before attaining age 35.

For purposes of applying the preceding paragraph, a reasonable period ending after the enumerated events described in (ii) and (iii) is the end of the two-year period beginning one year prior to the date the applicable event occurs, and ending one year after that date. If a Participant who separates from service before the Plan Year in which he attains age 35 thereafter returns to employment with the Employer, the applicable period for such Participant shall be redetermined.

(d) Elections. Any waiver of the annuities described in Subsections (b) and (c) above shall not be effective unless: (i) the Participant's spouse consents in writing to the election; (ii) the election designates a specific beneficiary, including any class of beneficiaries or any contingent beneficiaries, which may not be changed without spousal consent (or the spouse expressly permits designations by the Participant without any further spousal consent); (iii) the spouse's consent acknowledges the effect of the election; and (iv) the spouse's consent is witnessed by a plan representative or notary public. Additionally, a Participant's waiver of the Qualified Joint and Survivor Annuity shall not be effective unless the election designates a form of benefit payment which may not be changed without spousal consent (or the spouse expressly permits designations by the Participant without any further spousal consent). If it is established to the satisfaction of a plan representative that there is no spouse (within the meaning of Code section 417) or that the spouse cannot be located, a waiver will be deemed a qualified election. Any consent by a spouse obtained under this provision (or establishment that the consent of a spouse may not be obtained) shall be effective only with respect to such spouse. A consent that permits designations by the Participant without any requirement of further consent by such spouse must acknowledge that the spouse has the right to limit consent to a specific beneficiary, and a specific form of benefit where applicable, and that the spouse voluntarily elects to relinquish either or both such rights. A revocation of a prior waiver may be made by a Participant without the consent of the spouse at any time before the commencement of benefits. The number of revocations shall not be limited. No consent obtained under this provision shall be valid unless the Participant has received notice as provided in Subsections (b) and (c).

ARTICLE 8

(d) Active Employment. Only Employees shall be eligible to receive inservice distributions pursuant to this Article 8.

(e) Ordering Rule. The Plan Administrator shall determine the ordering rule for inservice distributions. Such ordering rule may provide that the Participant may elect to have payments made first or last from his Voluntary Contribution Account or in any combination of such accounts and any other Account.

(f) Transfer Account. A Participant may receive a distribution from the vested portion of his Transfer Account only to the extent such account was not transferred from a qualified plan subject to Code section 412.

## Section 8.04 LOANS

(a) **Eligible Participants.** A Participant who is an Employee may apply for a loan from the Plan. Loans shall only be granted pursuant to the terms of this Section to persons who the Plan Administrator determines have the ability to repay the loan. Loans shall not be made available to Participants who are or were Highly Compensated Employees in an amount greater than the amount available to other Participants. Loans shall be made available to all Participants on a nondiscriminatory and reasonably equivalent basis.

(b) **Maximum Loan Amount.** No loan to any Participant can be made to the extent that such loan when added to the outstanding balance of all other loans to the Participant would exceed the lesser of:

(1) \$50,000 reduced by the excess (if any) of the highest outstanding balance of loans during the one year period ending on the day before the loan is made, over the outstanding balance of loans from the Plan on the date the loan is made; or

(2) one-half the present value of the nonforfeitable accrued benefit of the Participant.

For the purpose of the above limitation, all loans from all qualified plans of the Employer are aggregated.

(c) **Loan Term and Amortization.** Any loan shall by its terms require that repayment (principal and interest) be amortized in level payments, not less frequently than quarterly, over a period not extending beyond five years from the date of the loan, unless such loan is used to acquire a dwelling unit which within a reasonable time (determined at the time the loan is made) will be used as the principal residence of the Participant.

(d) **Minimum Loan Amount - Maximum Number of Loans.** The minimum loan amount is \$1,000 and the maximum number of loans outstanding at any one time is 2.

(e) **Interest Rate.** Interest shall be charged at a rate to be fixed by the Plan Administrator and, in determining the interest rate, the Plan Administrator shall take into consideration interest rates currently being charged on similar commercial loans by persons in the business of lending money.

(f) **Security.** All loans shall be secured by no more than one-half of the vested portion of the Participant's Accounts (determined immediately after the origination of the loan) and such additional security as the Plan Administrator may deem necessary. All loans made to Participants under this Section are to be considered Trust Fund investments segregated for purposes of Article 9 hereof.

(g) **Repayment.** Loans shall be repaid in accordance with the foregoing and the Plan Administrator may require as a condition to granting such loan that it be repaid through payroll deductions. Unless the loan note provides otherwise, the principal amount of the loan and

accrued interest shall become immediately due and payable upon a Termination of Employment. Repayment may be suspended pursuant to Code section 414(u).

(h) **Loan Fees.** Fees properly chargeable in connection with a loan may be charged, in accordance with a uniform and nondiscriminatory policy established by the Plan Administrator, against the Account of the Participant to whom the loan is granted.

(i) **Default.** In the event of default, foreclosure on the note and attachment of security shall not occur until a distributable event occurs in the Plan.

(j) **Loans to Self-Employed Persons.** For Plan loans made before January 1, 2002, no loans will be made to any shareholder-employee or owner-employee. For purposes of this requirement, a shareholder-employee means an employee or officer of an electing small business (Subchapter S) corporation who owns (or is considered as owning within the meaning of Code section 318(a)(1), on any day during the taxable year of such corporation, more than 5% of the outstanding stock of the corporation. An owner-employee means, if the Employer is a sole proprietorship, an individual who is the sole proprietor, or, if the Employer is a partnership, a partner owning more than ten percent (10%) of either the capital or profits interest of the partnership.

(k) **Loan Procedures.** The Plan Administrator is authorized to adopt any administrative rules or procedures that it deems necessary or appropriate with respect to the granting and administering of loans under this Article 8.

(l) **Ordering Rule.** The Plan Administrator shall determine from which Accounts a Participant may receive a loan and the ordering rule for loans. Such ordering rule may provide that the Participant may elect to have loans made first or last from his Voluntary Contribution Account (if applicable) or in any combination of such Accounts and any other Account.

(m) **Spousal Consent.** A Participant must obtain the consent of his or her spouse, if any, to use the Account balance as security for a loan. Spousal consent shall be obtained no earlier than the beginning of the 90-day period that ends on the date on which the loan is to be so secured. The consent must be in writing, must acknowledge the effect of the loan, and must be witnessed by a Plan representative or notary public. Such consent shall thereafter be binding with respect to the consenting spouse or any subsequent spouse with respect to that loan. A new consent shall be required if the Account balance is used for renegotiation, extension, renewal, or other revision of the loan.

ARTICLE 9  
INVESTMENT AND VALUATION OF TRUST FUND

Section 9.01 INVESTMENT OF ASSETS

All existing assets of the Trust Fund and all future contributions shall be invested in accordance with the terms of this Article 9. All assets of the Trust Fund may be commingled for investment purposes with the assets of any retirement plan which is maintained by the Company and which qualifies under Code section 401(a) and may be held as a single fund under one or more trust instruments; provided that the value of each plan's assets can be determined at any time. The assets allocable to each such plan shall in no event be used for the benefit of Participants in the other plans.

Section 9.02 POOLED ACCOUNTS

Except for segregated accounts specifically authorized under other provisions of this Plan, all assets shall be pooled for investment purposes, and there shall be no segregation for any Participant's Account. Notwithstanding anything in this Article to the contrary, any assets that are held in the form of a Participant loan made pursuant to Article 8 shall be treated as a segregated investment.

Section 9.03 INDIVIDUAL ACCOUNTS

There shall be maintained on the books of the Plan with respect to each Participant, as applicable, a Profit Sharing Contribution Account, Rollover Contribution Account, Transfer Account and any other Account established by the Plan Administrator. Each such Account shall separately reflect the Participant's interest in the Trust Fund relating to such Account. Each Participant shall receive, at least annually, or as otherwise required, a statement of his Account. A Participant's interest in the Trust Fund shall be determined and accounted for based on his beneficial interest in such fund.

Section 9.04 QUALIFYING EMPLOYER INVESTMENTS

The Trustee may not invest the assets of the Trust Fund in "qualifying employer securities" or "qualifying employer real property" as those terms are defined in ERISA.

Section 9.05 ALLOCATION OF EARNINGS AND LOSSES

(a) Reinvestment. The dividends, capital gains distributions, and other earnings received on the Trust Fund shall be allocated to such fund and reinvested.

(b) Valuation. The assets of each Investment Fund shall be valued by the Trustee at their current fair market value as of each Valuation Date, and Accounts of each Participant with interests in that Investment Fund shall be credited with such Participant's allocable share of the earnings and losses of each Investment Fund since the immediately preceding Valuation Date.

Such allocation shall be done on the basis of such Participant's interest in the applicable Investment Fund. For purposes of the allocation investment earnings and losses, the Plan Administrator may adjust the value of interests of Investment Funds in Accounts as of the preceding Valuation Date to account for any contributions, distributions or withdrawals that occur after such preceding Valuation Date.

(c) Allocation to Individual Accounts. The Accounts of each Participant shall be adjusted as of each Valuation Date by: (i) reducing such Accounts by any distributions and withdrawals made therefrom since the preceding Valuation Date; (ii) increasing or reducing such Accounts by the Participant's share of earnings and losses and reasonable fees charged against such accounts at the direction of the Plan Administrator; and (iii) crediting such Accounts with any contributions made thereto since the preceding Valuation Date.

(d) Allocation of Expenses. The Plan Administrator may allocate all, none or any portion of the Plan's expenses to Participant Accounts. When allocating expenses among Participant Accounts, the Plan Administrator may allocate such expenses using any reasonable method that does not violate Title I of ERISA and does not discriminate in favor of Highly Compensated Employees within the meaning of applicable provisions of Code section 401(a)(4). Such methods may include, but not be limited to: (i) allocating expenses only to current or former employees (or among any other classification(s) of employees); (ii) allocating expenses directly to individual employees; (iii) allocating expenses using the per capita or pro rata method; and (iv) any combination of the foregoing.

(e) Valuation for Distribution. For the purposes of paying the amounts to be distributed to a Participant or Beneficiary pursuant to Articles 7 and 8, the value of the Participant's interest shall be determined in accordance with the provisions of this Article as of the Valuation Date related to the date benefits are paid.

(f) No Rights Created by Allocation. Any allocation of contributions or earnings to the separate Account of a Participant under this Article 9 shall not cause the Participant to have any right, title or interest in any assets of the Plan except at the time and under the terms and conditions expressly provided for in the Plan.

(g) Dividends and Credits. Any dividends or credits earned on insurance contracts will be allocated to the Participant's Account for whose benefit the contract is held. No contract will be purchased under the Plan unless such contract or a separate definite written agreement between the Company and the insurer provides that no value under contracts providing benefits under the Plan or credits determined by the insurer (on account of dividends, earnings, or other experience rating credits, or surrender or cancellation credits) with respect to such contracts may be paid or returned to the Company or diverted to or used for other than the exclusive benefit of the Participants or their Beneficiaries. However, any contribution made by the Company may be returned to the Company pursuant to Article 10.

Section 9.06 VOTING RIGHTS

A Participant shall not have the right to direct the Trustee as to the exercise of voting rights with respect to any Trust Fund Investment.

ARTICLE 10  
TRUST FUND

Section 10.01 TRUST FUND

(a) Continuation of Trust Fund. A trust is hereby continued under the Plan and the Trustee will maintain a trust account for the Plan and, as part thereof, Participants' accounts for such individuals as the Company shall from time to time give written notice to the Trustee are Participants in the Plan. The Trustee will accept and hold in the Trust Fund such contributions on behalf of Participants as it may receive from time to time from the Company, including amounts transferred by any prior trustee of the Plan, and such earnings, income and appreciation as may accrue thereon; less losses, depreciation and payments made by the Trustee to carry out the purposes of the Plan. The Trust Fund shall be fully invested and reinvested in accordance with the applicable provisions of the Plan.

(b) Exclusive Benefit. All contributions made to the Plan are made for the exclusive benefit of the Participants and their Beneficiaries, and such contributions shall not be used for, nor diverted to, purposes other than for the exclusive benefit of the Participants and their Beneficiaries (including the costs of maintaining and administering the Plan and corresponding trust).

(c) Return of Contributions. Notwithstanding any other provision of the Plan: (i) as contributions made prior to the receipt of an initial determination letter are conditional upon a favorable determination as to the qualified status of the Plan under Code section 401(a), if the Plan receives an adverse determination with respect to its initial qualification, then any such contribution may be returned to the Company within one year after such determination, provided the application for determination is made by the time prescribed by law; (ii) contributions made by the Company based upon mistake of fact may be returned to the Company within one year of such contribution; (iii) as all contributions to the Plan are conditioned upon their deductibility under the Code, if a deduction for such a contribution is disallowed, such contribution may be returned to the Company within one year of the disallowance of such deduction; and (iv) after all liabilities under the Plan have been satisfied, the remaining assets of the Trust shall be distributed to the Company if such distribution does not contravene any provision of applicable law.

In the case of the return of a contribution due to mistake of fact or the disallowance of a deduction, the amount that may be returned is the excess of the amount contributed over the amount that would have been contributed had there not been a mistake or disallowance. Earnings attributable to the excess contributions may not be returned to the Company but losses attributable thereto must reduce the amount to be so returned. Any return of contribution or distribution of assets made by the Trustee pursuant to this Section shall be made only upon the direction of the Company, which shall have exclusive responsibility for determining whether the conditions of such return or distribution have been satisfied and for the amount to be returned.

(d) Assets Not Held by Trustee. The Trustee shall not be responsible for any assets of the Plan that are held outside of the Trust Fund. The Trustee is expressly hereby relieved of

any responsibility or liability for any losses resulting to the Plan arising from any acts or omissions on the part of any insurance company holding assets outside of the Trust Fund. The Company shall serve as custodian for all promissory notes and related documents issued in connection with the Plan's participant loan program and the Company shall be responsible for the safekeeping of same.

(e) Group Trust. In the event that the Trust is a part of any group trust (within the meaning of Internal Revenue Service Revenue Ruling 81-100): (i) participation in the Trust is limited to (x) individual retirement accounts which are exempt under Code section 408(e) and (y) pension and profit-sharing trusts which are exempt under Code section 501(a) by qualifying under Code section 401(a); (ii) no part of the corpus or income which equitably belongs to any individual retirement account or employer's trust may be used for or diverted to any purposes other than for the exclusive benefit of the individual or the employees, respectively, or their beneficiaries who are entitled to benefits under such participating individual retirement account or employer's trust; (iii) no part of the equity or interest in the Trust Fund shall be subject to assignment by a participating individual retirement account or employer's trust; and (iv) the Trustee shall maintain separate accounts for each Plan.

#### Section 10.02 DUTIES OF THE TRUSTEE

(a) In General. The Trustee is not a party to, and has no duties or responsibilities under the Plan, other than those that may be expressly contained in this Article. The Trustee shall have no duties, responsibilities or liability with respect to the acts or omissions of any prior trustee. The Trustee shall discharge its assigned duties and responsibilities under this Article and the Plan with the care, skill, prudence, and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims.

(b) Contributions. The Trustee agrees to accept contributions that are paid to it by the Company (as well as rollover contributions and direct transfers from other eligible retirement plans) in accordance with the terms of this Article. Such contributions shall be in cash or in such other form that may be acceptable to the Trustee. In-kind contributions of other than qualifying employer securities are permitted only in non-pension plans provided that the contribution is discretionary and unencumbered. Qualifying employer securities may be contributed to both pension and non-pension plans subject to the requirements of ERISA section 408(e). The Trustee shall have no duty to determine or collect contributions under the Plan and shall have no responsibility for any property until it is received by the Trustee. The Company shall have the sole duty and responsibility for the determination of the accuracy or sufficiency of the contributions to be made under the Plan, the transmittal of the same to the Trustee and compliance with any statute, regulation or rule applicable to contributions.

(c) Distributions. The Trustee shall make distributions out of the Trust Fund pursuant to instructions described in Section 10.05. The Trustee shall not have any responsibility or duty under this Article for determining that such are in accordance with the terms of the Plan and applicable law, including without limitation, the amount, timing or method of payment and the identity of each person to whom such payments shall be made. The Trustee shall have no

responsibility or duty to determine the tax effect of any payment or to see to the application of any payment. In making payments, the Company acknowledges that the Trustee is acting as a paying agent and not as the payor, for tax information reporting and withholding purposes. In the event that any dispute shall arise as to the persons to whom payment or delivery of any assets shall be made by the Trustee, the Trustee may withhold such payment or delivery until such dispute shall have been settled by the parties concerned or shall have been determined by a court of competent jurisdiction.

(d) Records. The Trustee shall keep full and accurate accounts of all receipts, investments, disbursements and other transactions hereunder, including such specific records as may be agreed upon in writing between the Company and the Trustee. All such accounts, books and records shall be open to inspection and audit at all reasonable times by any authorized representative of the Company or the Plan Administrator. A Participant may examine only those individual account records pertaining directly to him.

(e) Accounting. The Trustee shall file with the Plan Administrator a written account of the administration of the Trust Fund showing all transactions effected by the Trustee subsequent to the period covered by the last preceding account and all property held at the end of the accounting period. The Trustee shall use its best effort to file such written account within ninety (90) days, but not later than one hundred twenty (120) days after the end of each Plan Year. Upon approval of such accounting by the Plan Administrator, neither the Company nor the Plan Administrator shall be entitled to any further accounting by the Trustee. The Plan Administrator may approve such accounting by written notice of approval delivered to the Trustee or by failure to express objection to such accounting in writing delivered to the Trustee within six (6) months from the date on which the accounting is delivered to the Plan Administrator.

(f) Participant Eligibility. The Trustee shall not be required to determine the facts concerning the eligibility of any Participant to participate in the Plan, the amount of benefits payable to any Participant or Beneficiary under the Plan, or the date or method of payment or disbursement. The Trustee shall be fully entitled to rely in good faith solely upon the written advice and directions of the Plan Administrator as to any such question of fact.

(g) Indicia of Ownership. The Trustee shall not hold the indicia of ownership of any assets of the Trust Fund outside of the jurisdiction of the District Courts of the United States, unless in compliance with section 404(b) of ERISA and regulations thereunder.

(h) Notice. The Trustee shall provide the Company with advance notice of any legal actions the Trustee may take with respect to the Plan and Trust and shall promptly notify the Company of any claim against the Plan and Trust.

(i) Other Fiduciaries. The Trustee shall not be responsible for the acts or omissions of any other persons except as may be required by ERISA section 405.

### Section 10.03 GENERAL INVESTMENT POWERS

(u) To do all such acts and exercise all such rights and privileges, although not specifically mentioned herein, as the Trustee may deem necessary to carry out the purposes of the Plan.

#### Section 10.04 OTHER INVESTMENT POWERS

(a) Requirement for Preapproval. The powers granted the Trustee under Section 10.03 shall be exercised by the Trustee upon the written direction from the Investment Fiduciary pursuant to Sections 10.05 and 10.06. Any written direction of the Investment Fiduciary may be of a continuing nature, but may be revoked in writing by the Investment Fiduciary at any time. The Trustee shall comply with any direction as promptly as possible, provided it does not contravene the terms of the Plan or the provision of any applicable law. The Investment Fiduciary, by written direction, may require the Trustee to obtain written approval of the Investment Fiduciary before exercising such of its powers as may be specified in such direction. Any such direction may be of a continuing nature or otherwise and may be revoked in writing by the Investment Fiduciary at any time. The Trustee shall not be responsible for any loss that may result from the failure or refusal of the Investment Fiduciary to give any such required direction or approval.

(b) Prohibited Transactions. The Trustee shall not engage in any prohibited transaction within the meaning of the Code and ERISA.

(c) Legal Actions. The Trustee is authorized to execute all necessary receipts and releases and shall be under the duty to make efforts to collect such sums as may appear to be due (except contributions hereunder); provided, however, that the Trustee shall not be required to institute suit or maintain any litigation to collect the proceeds of any asset unless it has been indemnified to its satisfaction for counsel fees, costs, disbursements and all other expenses and liabilities to which it may in its judgment be subjected by such action. Notwithstanding anything to the contrary herein contained, the Trustee is authorized to compromise and adjust claims arising out of any asset held in the Trust Fund upon such terms and conditions as the Trustee may deem just, and the action so taken by the Trustee shall be binding and conclusive upon all persons interested in the Trust Fund.

(d) Retention of Advisors. The Trustee may also appoint custodians, subcustodians or subtrustees as to part or all of the Trust Fund.

#### Section 10.05 INSTRUCTIONS

(a) Reliance on Instructions. Whenever the Trustee is permitted or required to act upon the directions or instructions of the Investment Fiduciary, Plan Administrator or Company, the Trustee shall be entitled to act in good faith upon any written communication signed by any person or agent designated to act as or on behalf of the Investment Fiduciary, Plan Administrator or Company. Such person or agent shall be so designated either under the provisions of the Plan or in writing by the Company and their authority shall continue until revoked in writing. The Trustee shall incur no liability for failure to act in good faith on such person's or agent's instructions or orders without written communication, and the Trustee shall be fully protected in all actions taken in good faith in reliance upon any instructions, directions, certifications and communications believed to be genuine and to have been signed or communicated by the proper person.

(b) Designation of Agent.

(1) Company. The Company shall notify the Trustee in writing as to the appointment, removal or resignation of any person designated to act as or on behalf of the Investment Fiduciary, Plan Administrator or Company. After such notification, the Trustee shall be fully protected in acting in good faith upon the directions of, or dealing with, any person designated to act as or on behalf of the Investment Fiduciary, Plan Administrator or Company until it receives notice to the contrary. The Trustee shall have no duty to inquire into the qualifications of any person designated to act as or on behalf of the Investment Fiduciary, Plan Administrator or Company.

(c) Procedures. The Trustee may adopt such rules and procedures as it deems necessary, desirable, or appropriate including, but not limited to: (i) taking action with or without formal meetings; and (ii) in the event that there is more than one Trustee, a procedure specifying whether action may be taken by a less than unanimous vote.

(d) Payment of Benefits. The Trustee shall pay benefits and expenses from the Trust Fund only upon the written direction of the Plan Administrator. The Trustee shall be fully entitled to rely in good faith on such directions furnished by the Plan Administrator, and shall be under no duty to ascertain whether the directions are in accordance with the provisions of the Plan.

#### Section 10.06 INVESTMENT OF THE FUND

(a) Investment Funds. The Investment Fiduciary shall have the exclusive authority and discretion to select the Investment Funds available for investment under the Plan. In making such selection, the Investment Fiduciary shall use the care, skill, prudence and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims. The available investments under the Plan shall be sufficiently diversified so as to minimize the risk of large losses, unless under the circumstances it is clearly prudent not to do so. The Investment Fiduciary shall notify the Trustee in writing of the selection of the Investment Funds currently available for investment under the Plan, and any changes thereto.

(b) Participant Self-Direction. Participants shall not have the right to direct the investment of their Accounts.

(c) Investment Managers.

(1) Appointment of Investment Managers. The Investment Fiduciary may appoint one or more Investment Managers with respect to some or all of the assets of the Trust Fund as contemplated by section 402(c)(3) of ERISA. Any such Investment Manager shall acknowledge to the Investment Fiduciary in writing that it accepts such appointment and that it is an ERISA fiduciary with respect to the Plan and the Trust Fund. The Investment Fiduciary shall provide the Trustee with a copy of the written agreement (and any amendments thereto) between the Investment Fiduciary and the Investment Manager. By notifying the Trustee of the appointment of an Investment Manager, the Investment Fiduciary shall be deemed to certify that such Investment Manager meets the requirements of section 3(38) of ERISA. The authority of the Investment Manager shall continue until the Investment Fiduciary rescinds the appointment or the Investment Manager has resigned.

(2) Separation of Duties. The assets with respect to which a particular Investment Manager has been appointed shall be specified by the Investment Fiduciary and shall be segregated in a separate account for the Investment Manager (the "Separate Account") and the Investment Manager shall have the power to direct the Trustee in every aspect of the investment of the assets of the Separate Account. The Trustee shall not be liable for the acts or omissions of an Investment Manager and shall have no liability or responsibility for acting pursuant to the direction of, or failing to act in the absence of, any direction from an Investment Manager, unless the Trustee knows that by such action or failure to act it would be itself committing a breach of fiduciary duty or participating in a breach of fiduciary duty by such Investment Manager, it being the intention of the parties that each party shall have the full protection of section 405(d) of ERISA.

(d) Proxies.

(1) Delivery of Information. The Trustee shall deliver, or cause to be delivered, to the Company or Plan Administrator all notices, prospectuses, financial statements, proxies and proxy soliciting materials received by the Trustee relating to securities held by the Trust or, if applicable, deliver these materials to the appropriate Participant or the Beneficiary of a deceased Participant.

(2) Voting. The Trustee shall not vote any securities held by the Trust except in accordance with the written instructions of the Company, the Investment Fiduciary, or if otherwise permitted in the Plan, the Participant or the Beneficiary of the Participant, if the Participant is deceased. However, the Trustee may, in the absence of instructions, vote "present" for the sole purpose of allowing such shares to be counted for establishment of a quorum at a shareholders' meeting. The Trustee shall have no duty to solicit instructions from Participants, Beneficiaries, the Investment Fiduciary or the Company.

(3) Investment Manager. To the extent not delegated to Participants pursuant to Subsection (b), the Investment Manager shall be responsible for making any proxy voting or tender offer decisions with respect to securities held in the Separate Account and the Investment Manager shall maintain a record of the reasons for the manner in which it voted proxies or responded to tender offers.

#### Section 10.07 COMPENSATION AND INDEMNIFICATION

(a) Compensation. The Trustee shall be entitled to reasonable compensation for its services as is mutually agreed upon with the Company; provided that such compensation does not result in a prohibited transaction within the meaning of the Code and ERISA. If approved by the Plan Administrator, the Trustee shall also be entitled to reimbursement for all direct expenses properly and actually incurred on behalf of the Plan. Such compensation or reimbursement shall be paid to the Trustee out of the Trust Fund unless paid directly by the Company.

(b) Indemnification. The Company shall indemnify and hold harmless the Trustee (and its delegates) from all claims, liabilities, losses, damages and expenses, including reasonable attorneys' fees and expenses, incurred by the Trustee in connection with its duties

hereunder to the extent not covered by insurance, except when the same is due to the Trustee's own gross negligence, willful misconduct, lack of good faith, or breach of its fiduciary duties under the Plan or ERISA.

#### Section 10.08 RESIGNATION AND REMOVAL

(a) Resignation. The Trustee may resign at any time by written notice to the Plan Administrator which shall be effective 60 days after delivery unless prior thereto a successor Trustee assumes the responsibilities of Trustee hereunder.

(b) Removal. The Trustee may be removed by the Company at any time.

(c) Successor Trustee. The appointment of a successor Trustee hereunder shall be accomplished by and shall take effect upon the delivery to the resigning or removed Trustee, as the case may be, of written notice of the Company appointing such successor Trustee, and an acceptance in writing of the office of successor Trustee hereunder executed by the successor so appointed. Any successor Trustee may be either a corporation authorized and empowered to exercise trust powers or one or more individuals. All of the provisions set forth herein with respect to the Trustee shall relate to each successor Trustee so appointed with the same force and effect as if such successor Trustee had been originally named herein as the Trustee hereunder. If within 45 days after notice of resignation shall have been given under the provisions of this Article a successor Trustee shall not have been appointed, the resigning Trustee or the Plan Sponsor may apply to any court of competent jurisdiction for the appointment of a successor Trustee.

(d) Transfer of Trust Fund. Upon the appointment of a successor Trustee, the resigning or removed Trustee shall transfer and deliver the Trust Fund to such successor Trustee, after reserving such reasonable amount as it shall deem necessary to provide for its expenses in the settlement of its account, the amount of any compensation due to it and any sums chargeable against the Trust Fund for which it may be liable. If the sums so reserved are not sufficient for such purposes, the resigning or removed Trustee shall be entitled to reimbursement for any deficiency from the Plan Sponsor.

ARTICLE 11  
SPECIAL "TOP-HEAVY" RULES

Section 11.01 "TOP-HEAVY" STATUS

The special provisions set forth in this Article 11 shall apply during any Plan Year in which this Plan, together with any other retirement plans required to be aggregated under Code section 416(g) and the Treasury Regulations promulgated thereunder, is "Top-Heavy." This Plan is Top-Heavy for any Plan Year beginning after 1983:

- (a) If the Top-Heavy Ratio for this Plan exceeds 60% and this Plan is not part of any Required Aggregation Group or Permissive Aggregation Group of plans;
- (b) If this Plan is a part of a Required Aggregation Group of plans but not part of a Permissive Aggregation Group and the Top-Heavy Ratio for the Required Aggregation Group of plans exceeds 60%; or
- (c) If this Plan is a part of a Required Aggregation Group and part of a Permissive Aggregation Group of plans and the Top-Heavy Ratio for the Permissive Aggregation Group exceeds 60%.

Section 11.02 MINIMUM ALLOCATIONS

(a) In General. In any Plan Year in which the Plan is Top-Heavy, the Company contributions and forfeitures allocated on behalf of any Participant who is employed by the Employer on the last day of the Plan Year shall not be less than the lesser of three percent (3%) of such Participant's Testing Compensation or in the case where the Employer has no defined benefit plan which designates this Plan to satisfy Code section 416, the largest percentage of Company contributions (including Elective Deferrals) and forfeitures, as a percentage of Key Employee's Testing Compensation, as limited by Code section 401(a)(17), allocated on behalf of any Key Employee for that Plan Year. The minimum allocation is determined without regard to any Social Security contribution. This minimum allocation shall be made even though, under other Plan provisions, the Participant would not otherwise be entitled to receive an allocation, or would have received a lesser allocation for the Plan Year because of (i) the Participant's failure to complete 1,000 hours of service (or any equivalent provided in the Plan), (ii) the Participant's failure to make mandatory employee contributions to the Plan, or (iii) compensation less than a stated amount. Except as provided in Paragraph (b) below, neither elective deferrals nor matching contributions may be taken into account for the purpose of satisfying the minimum top-heavy contribution requirement.

(b) Matching Contributions. Employer matching contributions may be taken into account for purposes of satisfying the minimum contribution requirements of Code section 416(c)(2) and the Plan. The preceding sentence shall apply with respect to matching contributions under the Plan or, if the Plan provides that the minimum contribution requirement shall be met in another plan, such other plan. Employer matching contributions that are used to

satisfy the minimum contribution requirements shall be treated as matching contributions for purposes of the actual contribution percentage test and other requirements of Code section 401(m).

(c) Contributions under other Plans. The minimum allocation requirement discussed in Subsection 11.02(a) may be met solely or partially in another plan. If the minimum allocation requirement of this Section 11.02 for any Plan Year is met partially in another plan, this Plan may offset the minimum required allocation in Subsection 11.02(a) by the amount allocated in or the benefit accrued in the other plan.

Section 11.03 MINIMUM VESTING

(a) For any Plan Year in which this Plan is Top-Heavy, the following vesting schedule shall automatically apply to the Plan to the extent that it is more favorable than the vesting schedule provided for in Article 6:

Years of Vesting Service	Vesting Percentage
Less than Two Years	0%
Two Years but less than Three Years	20%
Three Years but less than Four Years	40%
Four Years but less than Five Years	60%
Five Years but less than Six Years	80%
Six or More Years	100%

(b) The minimum vesting schedule applies to all benefits within the meaning of Code section 411(a)(7) except those attributable to employee contributions or those already subject to a vesting schedule which vests at least as rapidly as the schedule listed above, including benefits accrued before the effective date of Code section 416 and benefits accrued before the Plan became Top-Heavy. Further, no decrease in a Participant's nonforfeitable percentage may occur in the event the Plan's status as Top-Heavy changes for any Plan Year. However, this Section does not apply to the account balances of any Employee who does not have an hour of service after the Plan initially became Top-Heavy and such Employee's Account balance attributable to Company contributions and forfeitures will be determined without regard to this Section. The minimum allocation required (to the extent required to be nonforfeitable under Code section 416(b)) may not be forfeited under Code sections 411(a)(3)(B) or 411(a)(3)(D).

ARTICLE 12

(c) Procedures. The Plan Administrator may adopt such rules and procedures as it deems necessary, desirable, or appropriate for the administration of the Plan. When making a determination or calculation, the Plan Administrator shall be entitled to rely upon information furnished to it. The Plan Administrator's decisions shall be binding and conclusive as to all parties.

(d) Allocation of Duties and Responsibilities. The Plan Administrator may designate other persons to carry out any of his duties and responsibilities under the Plan.

#### Section 12.02 INVESTMENT FIDUCIARY

- (a) Designation. The Investment Fiduciary shall be the Trustee.
- (b) Authority and Responsibility of the Investment Fiduciary. The Investment Fiduciary shall have the following discretionary authority and responsibility:

(c) Procedures. The Investment Fiduciary may adopt such rules and procedures as it deems necessary, desirable, or appropriate in furtherance of its duties hereunder. When making a determination or calculation, the Investment Fiduciary shall be entitled to rely upon information furnished to it. The Investment Fiduciary's decisions shall be binding and conclusive as to all parties.

### Section 12.03 COMPENSATION OF PLAN ADMINISTRATOR AND INVESTMENT FIDUCIARY

The Plan Administrator and Investment Fiduciary shall serve without compensation for their services.

### Section 12.04 PLAN EXPENSES

All direct expenses of the Plan, Trustee, Plan Administrator and Investment Fiduciary or any other person in furtherance of their duties hereunder shall be paid or reimbursed by the Company, and if not so paid or reimbursed, shall be proper charges to the Trust Fund and shall be paid therefrom.

### Section 12.05 ALLOCATION OF FIDUCIARY RESPONSIBILITY

A Plan fiduciary shall have only those specific powers, duties, responsibilities and obligations as are explicitly given him under the Plan and Trust Agreement. It is intended that each fiduciary shall not be responsible for any act or failure to act of another fiduciary. A fiduciary may serve in more than one fiduciary capacity with respect to the Plan.

### Section 12.06 INDEMNIFICATION

The Company shall indemnify and hold harmless any person serving as the Investment Fiduciary and/or Plan Administrator (and their delegates) from all claims, liabilities, losses, damages and expenses, including reasonable attorneys' fees and expenses, incurred by such persons in connection with their duties hereunder to the extent not covered by insurance, except when the same is due to such person's own gross negligence, willful misconduct, lack of good faith, or breach of its fiduciary duties under this Plan or ERISA.

### Section 12.07 CLAIMS PROCEDURES

(a) Application for Benefits. A Participant or any other person entitled to benefits from the Plan (a "Claimant") may apply for such benefits by completing and filing a claim with the Plan Administrator. Any such claim shall be in writing and shall include all information and evidence that the Plan Administrator deems necessary to properly evaluate the merit of and to

make any necessary determinations on a claim for benefits. The Plan Administrator may request any additional information necessary to evaluate the claim.

(b) **Timing of Notice of Denied Claim.** The Plan Administrator shall notify the Claimant of any adverse benefit determination within a reasonable period of time, but not later than 90 days (45 days if the claim relates to a disability determination) after receipt of the claim. This period may be extended one time by the Plan for up to 90 days (30 additional days if the claim relates to a disability determination), provided that the Plan Administrator both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies the Claimant, prior to the expiration of the initial review period, of the circumstances requiring the extension of time and the date by which the Plan expects to render a decision. If the claim relates to a disability determination, the period for making the determination may be extended for up to an additional 30 days if the Plan Administrator notifies the Claimant prior to the expiration of the first 30-day extension period.

(c) **Content of Notice of Denied Claim.** If a claim is wholly or partially denied, the Plan Administrator shall provide the Claimant with a written notice identifying (1) the reason or reasons for such denial, (2) the pertinent Plan provisions on which the denial is based, (3) any material or information needed to grant the claim and an explanation of why the additional information is necessary, and (4) an explanation of the steps that the Claimant must take if he wishes to appeal the denial including a statement that the Claimant may bring a civil action under ERISA.

(d) **Appeals of Denied Claim.** If a Claimant wishes to appeal the denial of a claim, he shall file a written appeal with the Plan Administrator on or before the 60th day (180th day if the claim relates to a disability determination) after he receives the Plan Administrator's written notice that the claim has been wholly or partially denied. The written appeal shall identify both the grounds and specific Plan provisions upon which the appeal is based. The Claimant shall be provided, upon request and free of charge, documents and other information relevant to his claim. A written appeal may also include any comments, statements or documents that the Claimant may desire to provide. The Plan Administrator shall consider the merits of the Claimant's written presentations, the merits of any facts or evidence in support of the denial of benefits, and such other facts and circumstances as the Plan Administrator may deem relevant. The Claimant shall lose the right to appeal if the appeal is not timely made. The Plan Administrator shall ordinarily rule on an appeal within 60 days (45 days if the claim relates to a disability determination). However, if special circumstances require an extension and the Plan Administrator furnishes the Claimant with a written extension notice during the initial period, the Plan Administrator may take up to 120 days (90 days if the claim relates to a disability determination) to rule on an appeal.

(e) **Denial of Appeal.** If an appeal is wholly or partially denied, the Plan Administrator shall provide the Claimant with a notice identifying (1) the reason or reasons for such denial, (2) the pertinent Plan provisions on which the denial is based, (3) a statement that the Claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the Claimant's claim for benefits, and (4) a statement describing the Claimant's right to bring an action under section

502(a) of ERISA. The determination rendered by the Plan Administrator shall be binding upon all parties.

(f) **Determinations of Disability.** If the claim relates to a disability determination, determinations of the Plan Administrator shall include the information required under applicable United States Department of Labor regulations.

#### Section 12.08 WRITTEN COMMUNICATION

To the extent permitted by applicable Treasury and/or Department of Labor Regulations and accepted by the Plan Administrator, all provisions of the Plan and Trust that require written notices and elections shall be interpreted to mean authorized electronic and telephonic notices and elections. Any notice made under the terms of the Plan may be made in any electronic or telephonic method.

#### Section 12.09 ADVISORY LETTER

The adopting employer may rely on an advisory letter issued by the Internal Revenue Service as evidence that the plan is qualified under Code section 401 only to the extent provided in Revenue Procedure 2005-16. The employer may not rely on the advisory letter in certain other circumstances or with respect to certain qualification requirements, which are specified in the advisory letter issued with respect to the Plan and in Revenue Procedure 2005-16. In order to have reliance in such circumstances or with respect to such qualification requirements, application for a determination letter must be made to Employee Plans Determinations of the Internal Revenue Service.

ARTICLE 13  
AMENDMENT, MERGER AND TERMINATION

Section 13.01 AMENDMENT

The provisions of the Plan may be amended in writing at any time and from time to time by the Plan Sponsor, provided, however, that:

(a) No amendment to the Plan shall be effective to the extent that it has the effect of decreasing a Participant's accrued benefit and no amendment shall increase the duties and liabilities of the Trustee without the Trustee's consent. Notwithstanding the preceding sentence, a Participant's Account balance may be reduced to the extent permitted under Code section 412(c)(8). For purposes of this Subsection, a Plan amendment which has the effect of decreasing a Participant's Account balance, with respect to benefits attributable to service before the amendment, shall be treated as reducing an accrued benefit.

No amendment to the Plan shall be effective to eliminate or restrict an optional form of benefit. The preceding sentence shall not apply to a plan amendment that eliminates or restricts the ability of a Participant to receive payment of his or her Account balance under a particular optional form of benefit if the amendment is permitted under applicable Treasury Regulations.

A Plan amendment may also provide exceptions from the general prohibition against the elimination or restriction of optional forms of benefit for in-kind distributions and elective transfers as specified under Treas. Reg. section 1.411(d)-4 Q&A 2 and 3.

(b) Amendment by Volume Submitter Practitioner. The volume submitter practitioner may amend any part of the Plan on behalf of the adopting employer for changes in the Code, regulations, revenue rulings, other statements published by the Internal Revenue Service, including model, sample or other required good faith amendments, but only if their adoption will not cause the Plan to be individually designed, and for corrections of prior plans. The effective date of the ability of the volume submitter practitioner to amend the Plan shall be the first effective date of the first execution of this document.

The volume submitter practitioner will no longer have the authority to amend the Plan on behalf of any adopting employer as of either: (1) the date the Service requires the employer to file Form 5300 as an individually designed plan as a result of an employer amendment to the plan to incorporate a type of plan not allowable in the Volume Submitter program, as described in Rev. Proc. 2007-44 and Rev. Proc. 2005-16, or (2) as of the date the plan is otherwise considered an individually designed plan due to the nature and extent of the amendments. If the employer is required to obtain a determination letter for any reason in order to maintain reliance on an advisory letter, the volume submitter practitioner's authority to amend the plan on behalf of the adopting employer is conditioned on the plan receiving a favorable determination letter.

The volume submitter practitioner will maintain, or have maintained on its behalf, a record of the employers that have adopted the Plan, and such practitioner will make reasonable

and diligent efforts to ensure that adopting employers have actually received and are aware of all plan amendments and that such employers adopt new documents when necessary.

(c) The Plan Sponsor may: (1) change the choice of optional language in the document; (2) add overriding language in the document when such language is necessary to satisfy Code sections 415 or 416 because of the required aggregation of multiple plans; (3) amend administrative provisions of the trust or custodial document and the name of any pooled trust in which the Plan's trust will participate; (4) add certain sample or model amendments published by the Internal Revenue Service or other required good faith amendments which specifically provide that their adoption will not cause the Plan to be treated as individually designed; and (5) add or change provisions permitted under the Plan and/or specify or change the effective date of a provision as permitted under the Plan and correct obvious and unambiguous typographical errors and/or cross-references that merely correct a reference but that do not in any way change the original intended meaning of the provisions.

(d) If the Plan's vesting schedule is amended, in the case of an Employee who is a Participant as of the later of the date the amendment is adopted or the date it becomes effective, the nonforfeitable percentage (determined as of such date) of such Employee's employer-derived accrued benefit will not be less than the percentage computed under the Plan without regard to such amendment.

(e) If the Plan's vesting schedule is amended, or the Plan is amended in any way that directly or indirectly affects the computation of the Participant's nonforfeitable percentage or if the Plan is deemed amended by an automatic change to or from a top-heavy vesting schedule, each Participant with at least 3 years of vesting service with the Employer may elect, within a reasonable period after the adoption of the amendment or change, to have the nonforfeitable percentage computed under the Plan without regard to such amendment or change. For Participants who do not have at least 1 hour of service in any plan year beginning after December 31, 1988, the preceding sentence shall be applied by substituting "5 years of vesting service" for "3 years of vesting service" where such language appears. The period during which the election may be made shall commence with the date the amendment is adopted or deemed to be made and shall end on the latest of:

- (1) 60 days after the amendment is adopted;
- (2) 60 days after the amendment becomes effective; or
- (3) 60 days after the Participant is issued written notice of the amendment by the Plan Administrator.

The election provided for in this Section 13.01 shall be made in writing and shall be irrevocable when made.

(f) Code section 411(d)(6) protected benefits will be available without regard to employer discretion in accordance with Treas. Reg. section 1.411(d)(4), Q & A's #8 & 9.

### Section 13.02 MERGER AND TRANSFER

(a) Merger. In the event of any merger or consolidation with, or transfer of assets or liabilities to, any other plan, each Participant shall have a benefit in the surviving or transferee plan (as if such plan were then terminated immediately after such merger, consolidation or transfer) that is equal to or greater than the benefit he would have had immediately before such merger, consolidation or transfer in the plan in which he was then a Participant had such plan been terminated at that time.

(b) Transfer. The Plan Administrator may direct the Trustee to accept assets and related liabilities from another qualified plan provided that it receives sufficient evidence that the transferor plan is a tax-qualified plan. The Plan Administrator may direct the Trustee to transfer assets and related liabilities to another qualified plan provided that it receives sufficient evidence that the transferee plan is a tax-qualified plan.

### Section 13.03 TERMINATION

(a) It is the intention of the Plan Sponsor that this Plan will be permanent. However, the Plan Sponsor reserves the right to terminate the Plan at any time for any reason.

(b) Each entity constituting the Company reserves the right to terminate its participation in this Plan. Each such entity constituting the Company shall be deemed to terminate its participation in the Plan if: (i) it is a party to a merger in which it is not the surviving entity and the surviving entity is not an affiliate of another entity constituting the Company; or (ii) it sells all or substantially all of its assets to an entity that is not an affiliate of another entity constituting the Company.

(c) Any termination of the Plan shall become effective as of the date designated by the Plan Sponsor. Except as expressly provided elsewhere in the Plan, prior to the satisfaction of all liabilities with respect to the benefits provided under this Plan, no termination shall cause any part of the funds or assets held to provide benefits under the Plan to be used other than for the benefit of Participants or to meet the administrative expenses of the Plan. In the event of the termination or partial termination of the Plan the Account balance of each affected Participant will be nonforfeitable. In the event of a complete discontinuance of contributions under the Plan, the Account balance of each affected Participant will be nonforfeitable. Upon termination of the Plan, Participant Accounts shall be distributed in a single lump sum payment unless otherwise required pursuant to Article 7.

ARTICLE 14  
MISCELLANEOUS

Section 14.01 NONALIENATION OF BENEFITS

(a) Except as provided in Section 14.01(b), the Trust Fund shall not be subject to any form of attachment, garnishment, sequestration or other actions of collection afforded creditors of the Company, Participants or Beneficiaries under the Plan and all payments, benefits and rights shall be free from attachment, garnishment, trustee's process, or any other legal or equitable process available to any creditor of such Company, Participant or Beneficiary. Except as provided in Section 14.01(b), no Participant or Beneficiary shall have the right to alienate, anticipate, commute, pledge, encumber or assign any of the benefits or payments which he may expect to receive, contingently or otherwise, under the Plan, except the right to designate a Beneficiary. Any reference to a Participant or Beneficiary shall include an Alternate Payee or the Beneficiary of an Alternate Payee.

(b) Notwithstanding the foregoing, the Trustee and/or Plan Administrator may:

(1) Subject to Section 14.02 below, comply with the provisions and conditions of any Qualified Domestic Relations Order pursuant to the provisions of Code section 414(p).

(2) Comply with any federal tax levy made pursuant to Code section 6331.

(3) Subject to the provisions of Code section 401(a)(13), comply with the provisions and conditions of a judgment, order, decree or settlement agreement issued on or after August 5, 1997 between the Participant and the Secretary of Labor or the Pension Benefit Guaranty Corporation relating to a violation (or alleged violation) of part 4 of subtitle B of title I of ERISA.

(4) Bring action to recover benefit overpayments.

Section 14.02 RIGHTS OF ALTERNATE PAYEES

(a) General. An Alternate Payee shall have no rights to a Participant's benefit and shall have no rights under this Plan other than those rights specifically granted to the Alternate Payee pursuant to a Qualified Domestic Relations Order that are consistent with this Section 14.02.

(b) Distribution. Notwithstanding any provision of the Plan to the contrary, the Plan Administrator may direct the Trustee to distribute all or a portion of a Participant's benefits under the Plan to an Alternate Payee in accordance with the terms and conditions of a Qualified Domestic Relations Order. The Plan hereby specifically permits and authorizes distribution of a Participant's benefits under the Plan to an Alternate Payee in accordance with a Qualified Domestic Relations Order prior to the date the Participant has a Termination of Employment, or

prior to the date the Participant attains his earliest retirement age as defined in Code section 414(p).

(c) **Investment Funds.** If the Qualified Domestic Relations Order does not specify the Participant's Accounts, or Investment Funds in which such Accounts are invested, from which amounts that are separately accounted for shall be paid to an Alternate Payee, such amounts shall be distributed, or segregated, from the Participant's Accounts, and the Investment Funds in which such Accounts are invested (excluding any amounts invested as a Participant loan), on a pro rata basis. A Qualified Domestic Relations Order may not provide for the assignment to an Alternate Payee of an amount that exceeds the balance of the Participant's vested Accounts after deduction of any outstanding loan.

(d) **Default Rules.** Unless a Qualified Domestic Relations Order provides to the contrary:

(1) **Death Benefits.** An Alternate Payee shall have the right to designate a Beneficiary who shall receive benefits payable to an Alternate Payee which have not been distributed at the time of the Alternate Payee's death. If the Alternate Payee does not designate a Beneficiary, or if the Beneficiary predeceases the Alternate Payee, benefits payable to the Alternate Payee which have not been distributed shall be paid to the Alternate Payee's estate. Any death benefit payable to the Beneficiary of an Alternate Payee shall be paid in a single sum as soon as administratively practicable after the Alternate Payee's death.

(2) **Investment Direction.** An Alternate Payee shall have the right to direct the investment of any portion of a Participant's Accounts payable to the Alternate Payee under such order in the same manner with respect to a Participant, which amounts shall be separately accounted for by the Trustee in the Alternate Payee's name.

(3) **Voting Rights.** An Alternate Payee shall have the right to direct the Trustee as to the exercise of voting rights in the same manner as provided with respect to a Participant.

(e) **Withdrawals/Loans.** An Alternate Payee shall not be permitted to make any withdrawals under Article 8 and shall not be permitted to make a loan from the separate account established for the Alternate Payee pursuant to the Qualified Domestic Relations Order.

(f) **Treatment as Spouse.** A former spouse may be treated as the spouse or surviving spouse and a current spouse will not be treated as the spouse or surviving spouse to the extent provided under a Qualified Domestic Relations Order.

(g) **Plan Procedures.** The Plan Administrator shall be responsible for establishing reasonable procedures for determining whether any domestic relations order received with respect to the Plan qualifies as a Qualified Domestic Relations Order, and for administering distributions in accordance with the terms and conditions of such procedures and any Qualified Domestic Relations Order.

#### Section 14.03 NO RIGHT TO EMPLOYMENT

## POST EGTRRA ADDENDUM

This Addendum to the Plan is adopted to reflect the provisions of applicable law and the applicable regulations that are generally effective after December 31, 2006 ("Applicable Law"). This Addendum is intended as good faith compliance with the requirements of Applicable Law and is to be construed in accordance with same. This Addendum and the provisions of Applicable Law shall supersede the provisions of the Plan to the extent those provisions are inconsistent with the provisions of this Addendum and Applicable Law.

Except as expressly provided herein, this Addendum shall be effective for Plan Years beginning on or after January 1, 2007. Any effective dates specified herein shall be modified to the extent necessary to comply with any superseding guidance.

### STANDARD PROVISIONS:

- A. Annual Addition Limitations. Except as otherwise expressly provided, this Paragraph shall be effective for limitation years beginning on or after July 1, 2007.
1. Any correction methods for excess annual additions set forth in the Plan that were allowed pursuant to the prior version of Treas. Reg. 1.415-6(b)(6) shall not apply. However, the Plan may be eligible for self-correction under Rev. Proc. 2006-27, 2006-22 I.R.B. 945 and any superseding guidance.
  2. Restorative payments allocated to a participant's account, which include payments made to restore losses to the Plan resulting from actions (or a failure to act) by a fiduciary for which there is a reasonable risk of liability under Title I of ERISA or under other applicable federal or state law, where similarly situated participants are similarly treated, shall not give rise to an annual addition for any limitation year.
  3. The Plan's definition of compensation for a year that is used for purposes of Code section 415 may not reflect compensation for a year greater than the limit under Code section 401(a)(17) that applies to that year.
  4. If the Plan uses a definition of compensation for purposes of Code section 415 under prior regulations that included only those items specified in Treas. Reg. section 1.415-2(d)(2)(i) and excluding all of those items listed in Treas. Reg. section 1.415-2(d)(3), the definition shall be revised to indicate that compensation for such purposes means all items of remuneration described in Treas. Reg. 1.415(c)-2(b), and excluding the items of remuneration described in Treas. Reg. 1.415(c)-2(c).
  5. "Post Year End Compensation" means amounts earned during a year but not paid during that year solely because of the timing of pay periods and pay dates if: (i) these amounts are paid during the first few weeks of the next year; (ii) the amounts are included on a uniform and consistent basis with respect to all similarly situated Employees; and (iii) no compensation is included in more than one year.
  6. "Post Severance Compensation" means amounts paid by the later of: (1) 2-1/2 months after an employee's severance from employment with the employer maintaining the plan or (2) the end of the limitation year that includes the date of severance from employment with the employer maintaining the plan; and those amounts would have been included in the definition of compensation if they were paid prior to the employee's severance from employment with the employer maintaining the plan. However the payment must be for (a) unused accrued bona fide sick, vacation, or other leave, but only if the employee would have been able to use the leave if the employee had continued in employment; or (b) received by an employee pursuant to a nonqualified unfunded deferred compensation plan, but only if the payment would have been paid

to the employee at the same time if the employee had continued in employment with the employer and only to the extent that the payment is includible in the employee's gross income.

7. Compensation shall include other compensation paid by the later of: (1) 2-1/2 months after an employee's severance from employment with the employer maintaining the plan or (2) the end of the limitation year that includes the date of the employee's severance from employment with the employer maintaining the plan if: (a) the payment is regular compensation for services during the employee's regular working hours, or compensation for services outside the employee's regular working hours (e.g., overtime or shift differential), commissions, bonuses, or other similar payments; and the payment would have been paid to the employee prior to a severance from employment if the employee had continued in employment with the employer.

The exclusions from compensation for payments after severance from employment do not apply to payments to an individual who does not currently perform services for the employer by reason of qualified military service (as that term is used in Code section 414(u)(1)) to the extent those payments do not exceed the amounts the individual would have received if the individual had continued to perform services for the employer rather than entering qualified military service. To the extent provided in the Plan, compensation shall include compensation paid to a participant who is permanently and totally disabled.

**B.** Protected Benefits. This Paragraph is effective for plan amendments adopted after August 9, 2006 (periods beginning on or after June 7, 2004 relating to suspension of benefit payments).

1. Except as provided in Paragraph **B.2**, a plan amendment may not decrease a participant's accrued benefits, or otherwise place greater restrictions or conditions on a participant's rights to Code section 411(d)(6) protected benefits, even if the amendment merely adds a restriction or condition that is permitted under the vesting rules in Code section 411(a)(3) through (11).
2. An amendment described in Paragraph **B.1** does not violate Code section 411(d)(6) to the extent: (i) it applies with respect to benefits that accrue after the applicable amendment date; or (ii) the plan amendment changes the Plan's vesting computation period and it satisfies the applicable requirements under 29 CFR 2530.203-2(c).

The undersigned agree to be bound by the terms of the forgoing addendum to the Plan and acknowledge receipt of same. This addendum is executed this \_\_\_\_\_ day of \_\_\_\_\_, 2008.
