

2005

**ESTIMATED PREMIUM PAYMENT PACKAGE
PENSION BENEFIT GUARANTY CORPORATION**

This Package Contains:
PBGC Form 1-ES
and Instructions

To All Plan Administrators:

We are enclosing the forms and instructions for your estimated premium payment to the Pension Benefit Guaranty Corporation (PBGC) for the 2005 plan year. You may file using these forms, or you may file electronically through PBGC's website. Electronic filing saves time and reduces the risk of errors. PBGC plans to require electronic filing of premiums, beginning with large plans in 2006. PBGC will provide guidance to filers in advance of that change.

PBGC's electronic filing system, called My Plan Administration Account (My PAA), enables you to exchange information with your service providers, notify each other of the next required action, track progress, file and pay, and receive payment confirmation from PBGC, all electronically. You will find detailed information about using My PAA on pages 10-14 of this Premium Payment Package. We invite you to try My PAA. On our home page, www.pbgc.gov, click on: Online Premium Filing (My PAA).

We continue to look for ways to help you, and your suggestions are always welcome. In addition, PBGC's website contains information you may find useful, including current and prior premium filing booklets, frequently asked questions, interest rates, information on disaster relief, and regulations.

For all premium-related inquiries, please call our toll-free practitioner number, 1-800-736-2444, and select the "premium" option. If you have a complaint about the service you have received or still need assistance after calling our practitioner number, please contact our Problem Resolution Officer at 1-800-736-2444, ext. 4136 (202-326-4136 for local calls) or by e-mail at practitioner.pro@pbgc.gov.

Bradley D. Belt
Executive Director
Pension Benefit Guaranty Corporation

CONTACTS

1. PBGC's website, **www.pbgc.gov**, contains pension plan information of interest to the plan administrator and practitioner, such as online premium filing, current and prior premium filing booklets, frequently asked questions, interest rates, regulations, etc.
2. **Where to send premium filings** (including amended filings):
 - a. If you **mail** your premium forms, address them to:
Pension Benefit Guaranty Corporation
Dept. 77430
P.O. Box 77000
Detroit, MI 48277-0430
 - b. If you send your premium forms by **delivery service**, address them to:
Pension Benefit Guaranty Corporation
Bank One
9000 Haggerty Road
Dept. 77430
Mail Code MI1-8244
Belleville, MI 48111
 - c. If you pay by **check**, write the plan's EIN/PN and the date the premium payment year commenced (PYC) on the check and send the check with your form.
 - d. If you pay by **electronic funds transfer**, send the payment to:
Bank One, NA
Chicago, IL
ABA: 071000013
Account: 656510666
Beneficiary: PBGC
Reference: (give plan's EIN/PN and the date the premium payment year commenced (PYC) in the format "EIN/PN: XX-XXXXXXX/XXX
PYC: MM/DD/YY")
3. For all **premium-related correspondence other than premium filings**, including premium filing questions (for online or paper filings), requests for booklets or forms, address changes, requests for refunds (that are not submitted on premium filing forms), and requests for reconsideration of premium penalty assessments:
 - a. If you **mail** your correspondence, address it to:
Pension Benefit Guaranty Corporation
Dept. 77840
P.O. Box 77000
Detroit, MI 48277-0840
 - b. If you send your correspondence by **delivery service**, address it to the same address as in 2.b. above.
 - c. Or **call** us at: 1-800-736-2444
or (202) 326-4242
 - d. Or **fax** us at: (202) 326-4250
 - e. Or **e-mail** us at: **premiums@pbgc.gov**
4. For current interest rate information:
Call: (202) 326-4041
Internet: **www.pbgc.gov**
or write to:
Pension Benefit Guaranty Corporation
CPAD, Suite 240
1200 K Street, NW
Washington, DC 20005-4026
5. For assistance on coverage determination or plan termination:
Call: 1-800-736-2444
(202) 326-4242
E-mail: **standard@pbgc.gov**
or write to:
Pension Benefit Guaranty Corporation
IOD/Technical Assistance Branch, Suite 930
1200 K Street, NW
Washington, DC 20005-4026
6. If you have a complaint about the service you have received or still need assistance after calling our practitioner telephone numbers listed in items 3 and 5 (1-800-736-2444 or (202) 326-4242), please contact the Problem Resolution Officer (Practitioners):
Call: 1-800-736-2444, ext. 4136
(202) 326-4136
E-mail: **practitioner.pro@pbgc.gov**
or write to:
Pension Benefit Guaranty Corporation
Problem Resolution Officer (Practitioners), Suite 610
1200 K Street, NW
Washington, DC 20005-4026
7. For assistance with Participant Notice questions:
Call: (202) 326-4161
E-Mail: **pnotice@pbgc.gov**
8. For questions regarding our Premium Compliance Evaluation Program:
Call: (202) 326-4161 ext. 6309
E-Mail: **pce@pbgc.gov**
9. Any vendor requesting approval of automated forms may send a sample (including 3 original forms) to:
Pension Benefit Guaranty Corporation
Vendor Forms Review Office, FOD/CCD, Suite 670
1200 K Street, NW
Washington, DC 20005-4026

Note: TTY/TDD users may call the Federal relay service toll-free at 1-800-877-8339 and ask to be connected to any telephone number in this booklet.

Note: We cannot accept collect calls.

Pension Benefit Guaranty Corporation

Customer Service Plan for Plan Administrators

What is Our Mission?

The Pension Benefit Guaranty Corporation (PBGC) encourages a stable, adequately funded system of private pension plans and provides responsive, timely, and accurate services to plan sponsors, participants in insured plans, and pension practitioners.

Who Are Our Customers and What Services Do We Provide?

As a plan administrator of a pension plan that pays premiums to PBGC, you are one of PBGC's principal customers. In administering the premium collection program, we:

- Collect premiums from covered plans;
- Issue annual premium forms and instructions packages;
- Answer questions from plan administrators, sponsors, and practitioners about premium payments;
- Process premium-related requests, including requests for refunds and administrative changes;
- Issue past due filing notices and statements of account (premium invoices), as appropriate;
- Make decisions on requests for reconsideration of agency determinations in the premium administration area.

Of course, our dealings with plan administrators, plan sponsors, and pension practitioners go beyond premium collections. Should a defined benefit pension plan terminate, as either a standard or a distress termination, you have dealings with the PBGC to bring the case to closure.

Our Service Pledge

Our customers deserve our best effort as well as our respect and courtesy.

- On the first call from you, our customer, we will say —
 - what we can do immediately and what will take longer,
 - when it will be done, and
 - who will handle your request.
- We will call you if anything changes from what we first said, give you a status report and explain what will happen next.
- We will have staff available from 8:00a.m.-5:00p.m. Eastern Time to answer your calls. If you leave a message, we will return the call within one workday.
- We will acknowledge your letter within one week of receipt.

Survey Results and Service Improvement Efforts

The most recent customer satisfaction surveys of pension professionals tell us we've improved our forms and instructions, and filing premium forms is fairly easy to do, but receiving refunds still takes too long. We learned that we can best improve customer satisfaction by focusing on premium statements of account (premium invoices), specifically, getting these to our customers timelier, making the statements themselves clearer, and providing prompter responses to inquiries. We are developing a new premium accounting system that we expect to support these efforts. We have also launched an electronic premium filing system called My Plan Administration Account (My PAA), which is accessible through PBGC's website (www.pbgc.gov). It is our hope that online filing will provide greater convenience to our customers, and we look forward to expanding online services in the future.

Since almost half of all pension plans have an October 15 premium filing deadline, PBGC experiences its peak premium processing season in October through December. Refunds requested during this period will take longer to process due to the increased number of filings received. We continue to seek ways to make our processes more responsive to the needs of the practitioner community.

If you have any questions or complaints, please contact us by telephone, fax, or e-mail at one of the numbers or addresses listed on page 2.

Paperwork Reduction Act Notice

We need this information to identify the plan and plan year for which an estimated premium is paid to the Pension Benefit Guaranty Corporation (PBGC) pursuant to Title IV of the Employee Retirement Income Security Act of 1974 (ERISA) and the PBGC's premium regulations (29 CFR Parts 4006 and 4007). You are required to give us this information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. OMB has approved this collection of information under control number 1212-0009. Confidentiality is that supplied by the Privacy Act and the Freedom of Information Act.

The estimated burden associated with completing and filing Form 1-ES is one-half hour (for filings done in-house) or \$138 (for filings contracted out). (The PBGC assumes that 95% of the burden of filing Form 1-ES is contracted out.) These burden estimates are an average for the plans that file this form. The actual burden will vary depending on the circumstances of a given plan.

If you have comments concerning the accuracy of this time estimate or suggestions for making the form simpler, please send your comments to:

Pension Benefit Guaranty Corporation
Office of the General Counsel
1200 K Street, NW
Washington, DC 20005-4026

Help Us Post Your Premium Filings Promptly And Accurately

The best way to ensure accurate and timely filings is to submit your premium filing online using the My Plan Administration Account (My PAA) section of the PBGC's website. The instructions for e-filing your premiums are included in this booklet (see p. 10).

If you are making a paper filing, please:

- A. Submit Only One Payment with One Filing.** Do NOT combine the premiums for two or more plans into one payment.
- B. Include EIN/PN and PYC on all Payments and Correspondence.**
- C. Send Premium Filings Only to the Premium Filing Addresses** in item 2. under CONTACTS, p. 2.
- D. Send Other Correspondence to the Correspondence Addresses** in item 3. under CONTACTS, p. 2.
- E. Notify PBGC of EIN/PN Changes.** EIN/PN changes should be reported on your premium form, which includes space for this information.

INSTRUCTIONS FOR 2005 PBGC FORM 1-ES

Introduction

PBGC premium forms are used to pay premiums to the Pension Benefit Guaranty Corporation (PBGC) as required by sections 4006 and 4007 of the Employee Retirement Income Security Act, as amended (ERISA), and the PBGC's premium regulations (29 CFR Parts 4006 and 4007). There are two kinds of premiums: the flat-rate premium, which applies to all plans, and the variable-rate premium, which applies only to single-employer plans.

Every plan covered under section 4021 of ERISA must make a premium filing each year, either by filing Form 1 or Form 1-EZ (whichever applies to the plan) or by filing electronically. Single-employer plans that file Form 1 must also file Schedule A. Those three forms are issued in the PBGC's Premium Payment Package, which can be found on the PBGC's website (www.pbgc.gov). The Premium Payment Package also contains other important premium-related information that you may want to refer to. This booklet (the Estimated Premium Payment Package) contains a fourth form — Form 1-ES — that large plans use to make estimated flat-rate premium payments. Estimated payments may also be made using electronic filing instead of Form 1-ES.

Our new electronic premium filing and payment system called "My Plan Administration Account" ("My PAA") is accessible through the PBGC's website (www.pbgc.gov). Plan administrators and other plan professionals who choose to use My PAA can coordinate the electronic preparation, signing, and submission of premium filings without the need for sending paper forms back and forth between consultants and plan officials. My PAA makes it possible to deliver premium filings to the PBGC instantaneously with the click of a mouse and get an immediate filing receipt. See p. 10 of this booklet for details.

Form 1-ES Filing Requirement

A plan that was required to pay premiums for 500 or more participants for the plan year preceding the premium payment year must pay the flat-rate premium early in the premium payment year. Because the participant count often is not available until later in the premium payment year, we permit filers to make estimated payments using electronic filing or Form 1-ES. (In addition, we do not assess late payment penalties for estimates that are too low if they meet "safe harbor" requirements, discussed below.) Form 1-ES (or the electronic equivalent) must be filed, and payment made, by the First Filing Due Date — generally, the last day of the second full calendar month in the premium payment year. (For the first full plan year following a change in plan year, the First Filing Due Date is the 30th day after the adoption date of a plan amendment changing the plan year, if later.)

If your due date would fall on a weekend or Federal holiday, your premium filing will be considered timely if you file by the next business day.

The Form 1-ES filing deadlines for 2005 are shown in the following table.

First Filing Due Date
(2005 Form 1-ES)

Premium Payment Year Begins	Form 1-ES Filing Due Date
01/01/2005	02/28/2005
01/02 - 02/01/2005	03/31/2005
02/02 - 03/01/2005	05/02/2005*
03/02 - 04/01/2005	05/31/2005
04/02 - 05/01/2005	06/30/2005
05/02 - 06/01/2005	08/01/2005*
06/02 - 07/01/2005	08/31/2005
07/02 - 08/01/2005	09/30/2005
08/02 - 09/01/2005	10/31/2005
09/02 - 10/01/2005	11/30/2005
10/02 - 11/01/2005	01/03/2006*
11/02 - 12/01/2005	01/31/2006
12/02 - 12/31/2005	02/28/2006

* **NOTE:** If your filing is not made by this date, penalty and interest will be calculated from the last day of the preceding month rather than the following business day — e.g., from Saturday 4/30/2005 rather than Monday 5/2/2005.

Filing Method and Filing Date

You may make your estimated premium filing and payment (if by check, with your premium form) by hand, mail, commercial delivery service, or electronically. The discussion below describes the rules for filings other than electronic filings. You can find detailed rules on filing methods and on how we determine your filing date for electronic filings (as well as for other filings) in Part 4000 of our regulations (available on the PBGC's website, www.pbgc.gov). See p. 10 for information about how to file electronically using My PAA, our new electronic premium filing method.

For filings other than electronic filings, your filing date is the date you send your filing, provided you meet certain requirements that are summarized below. If you do not meet these requirements, your filing date is the date we receive your submission. However, if we receive your submission after 5:00 p.m. (our time) on a business day, or anytime on a weekend or Federal holiday, we treat it as received on the next business day. (If you file your submission by hand, your filing date is the date of receipt of your hand-delivered submission at the proper address.)

Filings by mail. If you file your submission using the U.S. Postal Service, your filing date is the date you mail your submission by the last collection of the day, provided the submission: (1) meets the applicable postal requirements; (2) is properly addressed; and (3) is sent by First-Class Mail (or another class that is at least equivalent). (If you mail the submission after the last collection of the day, or if there is no scheduled collection that day, your filing date is the date of the next scheduled collection.) If you meet these requirements, we make the following presumptions:

Legible postmark date. If your submission has a legible U.S. Postal Service postmark, we presume that the postmark date is the filing date.

Legible private meter date. If your submission has a legible postmark made by a private postage meter (but no legible U.S. Postal Service postmark) and arrives at the proper address by the time reasonably expected, we presume that the metered postmark date is your filing date.

Filings using a commercial delivery service. If you file your submission using a commercial delivery service, your filing date is the date you deposit your submission by the last scheduled collection of the day for the type of delivery you use (such as two-day delivery or overnight delivery) with the commercial delivery service, provided that the submission meets the applicable requirements of the commercial delivery service and is properly addressed, and the delivery service meets one of the requirements listed below. If you deposit it later than that last scheduled collection of the day, or if there is no scheduled collection that day, your filing date is the date of the next scheduled collection. The delivery service must meet one of the following requirements:

Delivery within two days. It must be reasonable to expect your submission will arrive at the proper address by 5:00 p.m. on the second business day after the next scheduled collection; or

Designated delivery service. You must use a “designated delivery service” under section 7502(f) of the Internal Revenue Code (Title 26, U.S.C.). Our website, www.pbgc.gov, lists those designated delivery services. You should make sure that both the provider and the particular type of delivery (such as two-day delivery) are designated.

Disaster Relief

From time to time, when major disasters occur, the PBGC grants disaster relief by waiving late filing penalties for certain plans. Disaster Relief Announcements are available on the PBGC’s website, www.pbgc.gov (under “Legal Information & FOIA” – “Laws & Regulations” – “Disaster Relief

Announcements”). If your plan is covered by a PBGC Disaster Relief Announcement for this premium filing, follow the instructions in the Disaster Relief Announcement and check the Disaster Relief box at the top of Form 1-ES.

Interest

If the estimated premium paid by the First Filing Due Date is less than 100 percent of the flat-rate amount due for the premium payment year, there will be a charge for interest on the difference between the two amounts. Interest cannot be waived and is not subject to the safe harbor rules for penalties described below. Interest accrues at the rate imposed under section 6601(a) of the Internal Revenue Code (the rate for late payment of taxes) and is compounded daily. These rates are available on the PBGC’s website (www.pbgc.gov).

Penalty; Safe Harbor Rules

If the estimated premium paid by the First Filing Due Date is less than 100 percent of the flat-rate amount due for the premium payment year, there may be a late payment penalty. However, there are “safe harbor” rules for avoiding the penalty (but not the interest). No penalty will be charged if you did not make an estimated premium payment because you erroneously reported fewer than 500 participants for the plan year preceding the premium payment year. In addition, you can avoid the penalty if the estimated premium payment you make by the First Filing Due Date is at least equal to the lesser of:

(1) 90 percent of the flat-rate amount due for the premium payment year or

(2) an amount equal to the participant count for the plan year preceding the premium payment year multiplied by the 2005 flat rate (\$19 per participant for single-employer plans or \$2.60 per participant for multiemployer plans). (Note: Because the 2005 flat rate is the same as the 2004 flat rate, you will meet the safe harbor requirement if your estimated premium payment for the 2005 plan year is at least as much as your 2004 flat-rate premium.) This test will be met if the amount paid is sufficient using either the actual participant count for the plan year preceding the premium payment year or a smaller count that was erroneously reported.

For purposes of determining whether a penalty is due, the participant count “erroneously reported” refers to the premium filing (or last amended filing) for the plan year preceding the premium payment year made to the PBGC by the First Filing Due Date.

Note that if you take a credit for a short 2005 plan year, as explained under “Credits and Refunds” below, the amount of the credit is counted toward meeting the safe harbor requirement, the same as any other credit.

Thus, if the amount you pay with Form 1-ES, plus all credits, is at least equal to the safe harbor amount, the safe harbor requirement will be met.

Change of Address and Request to Stop Receipt of Premium Forms and Instructions

Be sure to check the address change box in item 1 or 2 if the plan sponsor's or plan administrator's name or address has changed.

If your plan's premium filings are prepared by a consultant, you may not need to receive your own copy of PBGC premium forms and instructions. If you do not want to receive premium forms and instructions next year, check the box in item 1. An election not to receive the forms and instructions does not relieve the plan administrator of the obligation to file.

Definitions

"Participant" in a plan means an individual (whether active, inactive, retired, or deceased) with respect to whom the plan has benefit liabilities.

a. Benefit liabilities are all liabilities with respect to employees and their beneficiaries under the plan (within the meaning of Code section 401(a)(2)). Thus, benefit liabilities include liabilities for all accrued benefits, whether or not vested. In addition, a plan's benefit liabilities include liabilities for ancillary benefits not directly related to retirement benefits, such as disability benefits not in excess of the qualified disability benefit, life insurance benefits payable as a lump sum, incidental death benefits, or current life insurance protection. (See Treasury Regulation § 1.411(a)-7(a)(1)(ii).)

b. An individual is not counted as a participant after all benefit liabilities with respect to the individual are distributed through the purchase of irrevocable commitments from an insurer or otherwise. In addition, a non-vested individual is not counted as a participant after (1) a deemed "zero-dollar cashout," (2) a one-year break in service under plan rules, or (3) death.

i. *Cashouts.* If the plan has a separate cashout provision for zero benefits, terminated non-vested participants are deemed to be cashed out as of the date specified in the deemed cashout provision or, if no date is specified, as of the employment termination date. If the plan provides that zero benefit amounts will be deemed to be paid as soon as possible, terminated non-vested participants also will be deemed to be cashed out as of the employment termination date.

If the plan does not have a separate cashout provision for zero benefits but does have a mandatory cashout of small benefit amounts (e.g., benefits less than \$5,000), terminated non-vested participants are deemed to be cashed out in the same manner as terminated vested

participants. If the plan is silent as to the timing of actual cashouts of terminated vested participants, the plan is deemed to read "as soon as practicable" and the terminated non-vested participants are deemed to be cashed out immediately upon termination of employment. If the plan specifies a date as of which actual cashouts of terminated vested participants take place (e.g., on the first day of the next month), that rule also would apply to deemed cashouts of terminated non-vested participants. These rules do not apply if, despite plan language, the plan has an obvious pattern or practice of delaying distributions for long periods of time.

For example, suppose a calendar-year plan provides that if a participant terminates employment and the participant's vested benefit has a value of less than \$5,000, the plan will pay the vested benefit to the participant in a lump sum as of the first of the month following termination of employment. Suppose further that no plan provisions specifically address payment of benefits upon termination of employment by non-vested participants. If a participant with a non-vested accrued benefit terminates employment on December 15, 2004, the participant will be included in the participant count as of December 31, 2004 (because the cashout is deemed to occur on January 1, 2005, the first of the month following termination of employment). If, as is typically the case for a calendar year plan, the plan's premium snapshot date for 2005 is December 31, 2004, a flat-rate premium must be paid for this participant for 2005.

ii. *Breaks in service.* A terminated non-vested individual ceases to be a participant for premium purposes when the individual incurs a one-year break in service under the plan, regardless of the length of the individual's absence from employment. For example, suppose that a calendar-year plan provides that a participant who performs 500 or fewer hours of service in a service computation period incurs a one-year break in service for that computation period. An individual might incur a one-year break in service before December 31, 2004 (the premium snapshot date for the 2005 premium) if the individual left employment on February 1, 2004, and did not perform more than 500 hours of service during a computation period ending on November 30, 2004, even though December 31, 2004, comes before the first anniversary of the individual's separation from employment. This individual would not be included in the participant count for 2005.

If a non-vested individual incurs a break in service in a service computation period that coincides with the plan year preceding the premium payment year, we treat the individual as not being a participant for purposes of determining the premium for the premium payment year. For example, suppose a calendar-year hours-of-service

plan requires more than 500 hours of service in a service computation period to avoid a break in service, and a non-vested participant in the plan earns 440 hours of service in the service computation period ending December 31, 2004. The PBGC would treat the individual as not being a participant for purposes of the plan's 2005 premium. (For more detail, see the amendment to the premium regulations' definition of "participant," published in the Federal Register on December 1, 2000, at 65 FR 75160.)

c. Beneficiaries and alternate payees. Beneficiaries and alternate payees are not counted as participants. However, a deceased participant will continue to be counted as a participant if there are one or more beneficiaries or alternate payees who are receiving or have a right to receive benefits earned by the participant.

"Plan sponsor" means the employer(s), employee organization, association, committee, joint board of trustees, or other entity that establishes or maintains a plan.

"Plan administrator" means the plan administrator (person or entity) specifically designated as such by the terms of the plan or, if no plan administrator is so designated, the plan sponsor.

Plan mergers and plan consolidations are transactions in which one or more transferor plans transfer all of their assets and liabilities to a transferee plan and disappear (because they become part of the transferee plan). However, there are important differences between the two kinds of transactions. In a merger, the transferee plan is one that existed before the transaction. In a consolidation, the transferee plan is a new plan that is created in the consolidation. Thus, the plan that exists after a consolidation follows the premium filing rules for new plans. In particular, it need not make an early premium payment with Form 1-ES (no matter how many participants any of the transferor plans had for the prior year(s)), it may not use the alternative calculation method, and its filing due date is subject to the special rules for new plans. On the other hand, the transferee plan in a merger follows the normal rules for preexisting, ongoing plans.

In a spinoff, the transferor plan transfers only part of its assets and/or liabilities to the transferee plan. The transferee plan may be a new plan that is created in the spinoff, or it may be a pre-existing plan that simply receives part of the assets and/or liabilities of the transferor plan.

Transfers From Disappearing Plans

If a plan other than yours ceased to exist in connection with any transfer of assets or liabilities from that plan to your plan since the last premium filing, check

the "Yes" box in item 3(c). If you check "Yes," enter in the spaces provided the EIN/PN of each plan that ceased to exist in connection with the transfer of any assets or liabilities to your plan. Also enter the effective date and type of each transfer. The types of transfers are explained above. The effective date of a transfer is determined based on the facts and circumstances of the particular situation. (For transfers subject to section 414(I) of the Code, report the date determined under 26 CFR 1.414(I)-1(b)(11).)

Example: The merger agreement between Plans A and B provides that participants of Plan A will cease accruing benefits under Plan A and begin coverage and benefit accruals under Plan B as of January 1, 2005, and that the obligation to pay benefits to Plan A participants will pass from Plan A to Plan B as of that date. The agreement also provides that Plan A's assets will be transferred to Plan B's account as soon as practicable. The transfer actually occurs on February 17, 2005. The effective date of the transfer is January 1, 2005.

If you need to report transfers from more than one plan, attach a separate sheet listing the EIN/PN of each additional plan and the effective date and type of each transfer.

You do not need to report any transfer in this item unless the transferor plan ceased to exist in connection with the transfer — *i.e.*, transferred all of its assets and liabilities to your plan or to two or more plans including your plan. You also do not need to report a transfer in this item if you have no reasonable way of determining whether the transferor plan ceased to exist in connection with the transfer.

Credits; Proration for Short Plan Years

In general

In item 7 of Form 1-ES, you may claim the amount of any credit you are entitled to: (1) any available credit from item 17 of your 2004 Form 1-EZ or Form 1 (or from an equivalent electronic filing), (2) any estimated short-year credit (as explained in the following paragraphs), and (3) any other available credit. You must attach an explanation of any credit you claim in item 7, other than a credit from item 17 of your 2004 Form 1-EZ or Form 1 (or from an equivalent electronic filing).

Proration for short plan years

PBGC rules allow premium payers to pay a prorated premium for certain short plan years:

- a short first year of a new or newly covered plan;
- a short year created by an amendment that changes the plan year (but note that an amendment is not considered to change the plan year if the plan merges into or consolidates with another plan or otherwise ceases its independent existence either during the short plan year or

at the beginning of the full plan year following the short plan year);

- a short year created by distribution of plan assets pursuant to plan termination; or
- a short year created by the appointment of a trustee for a single-employer plan under ERISA section 4042.

The proration is based on the number of full and partial months in the short plan year. Alternatively, you may pay a full year's premium and either (1) request that the PBGC compute and pay a partial refund or (2) claim a credit in the next year's premium filing. (No premium proration is allowed where a plan disappears by merger or consolidation into another plan.)

Estimated premium payments may also be prorated. The short year need not have ended by the time you pay a prorated premium, but if the plan year turns out to be longer than you anticipated, you will have to make up any premium underpayment (which will be subject to interest and penalties).

However, there is a penalty safe-harbor rule for estimated flat-rate premium payments that are prorated for a short plan year resulting from a change in plan year. The safe harbor applies where the amendment changing the plan year has been adopted, but the short year has not ended, by the First Filing Due Date, and later events result in a plan year longer than anticipated because the plan year change does not take place. Any penalty arising from reliance on the amendment is waived for the period from the First Filing Due Date to the Final Filing Due Date. (There is no waiver for interest.)

To pay a prorated estimated premium, you first determine the estimated premium without proration, then subtract a credit that brings the premium down to the prorated amount:

(1) Enter in item 6 of Form 1-ES your estimated flat-rate premium, calculated as if there were no short-year proration.

(2) Multiply the item 6 amount by the following fraction:

$$\frac{12 \text{ minus number of months in short year}}{12}$$

In determining the numerator of the fraction, any partial month in the short plan year must be counted as a full month.

(3) Enter the result from step (2) (plus any other available credit) in item 7.

(4) Subtract item 7 from item 6 and enter the result in item 8. If your total credits in item 7 (including any credit from item 17 of your 2004 Form 1-EZ or Form 1 (or from an equivalent electronic filing) and any estimated short-year credit) are greater than your estimated premium in

item 6, enter 0 in item 8.

For example, suppose the plan year of your single-employer plan has been changed by amendment from a calendar year to a year beginning July 15, effective July 15, 2005. Assume that you choose to pay an estimated flat-rate premium for the plan year beginning January 1, 2005, based on your 2004 participant count of 600. Thus your estimated flat-rate premium, calculated as if there were no short-year proration, would be \$11,400. This is the amount you would enter in item 6 of Form 1-ES for the plan year beginning January 1, 2005. If you choose to prorate your estimated premium, you would determine your short-year credit by multiplying \$11,400 by 5/12. (The number of full and partial months in your short year — *i.e.*, January through July of 2005 — is 7, so the numerator of the fraction is 5 — *i.e.*, 12 minus 7.) This gives you a short-year credit of \$4,750 (for the five months of August through December of 2005), which you would enter in item 7 of Form 1-ES. (You would also attach an explanation of the short year proration to your Form 1-ES). Assuming you have no other credits, you would pay \$6,650 (*i.e.*, \$11,400 minus \$4,750) with your Form 1-ES.

Amended Filings

If you discover after you have filed the 2005 Form 1-ES that you have made an error, you must file another 2005 Form 1-ES to correct your filing. Check the box in the heading of the Form 1-ES to indicate that this is an amended filing. Fill in the Form 1-ES as you would for an original filing. Enter the corrected premium in item 6. In item 7, enter the sum of the credits you previously claimed in that item plus the amount you paid with your original estimated filing. The amount due with the amended filing should appear in item 8. This should equal the difference between the new total estimated premium due and the new total credits. (If the amended estimate is lower than the original estimate, the amount due will be zero.) Submit your amended Form 1-ES with payment for any amount due.

Printing or Copying Premium Forms

The premium forms are in Optical Character Recognition (OCR) format. This enables the PBGC to process your plan information quickly and accurately. We will accept the original forms provided in this package; forms provided by a vendor that has received PBGC approval for an automated (computer-generated) version of the form; and forms downloaded from the PBGC website (www.pbgc.gov). We will also accept photocopies of the forms; please make sure the copies are clear and properly aligned on the page so that the OCR equipment can read them. The forms you file must have

original signatures.

To achieve the best results when printing computer-generated or downloaded forms, use a laser or inkjet printer with resolution of 300 DPI (dots per inch) or higher. Please make sure that you have adequate toner in your printer cartridge. Thermal or dot matrix (9 or 24 pin) printers are not recommended for printing the premium forms. Do not use any printing options, such as “Fit to Page,” that may tend to enlarge or reduce the size of the image. Please make sure no part of the form is missing after it is printed.

If More Than One Plan Year Begins in 2004 or 2005

References in these instructions and on Form 1-ES to the 2004 plan year (and to filings and notices for the 2004 plan year) should be considered to refer to your plan’s most recent complete plan year. For example, a plan with a short plan year could have two plan years beginning in calendar 2005. When such a plan makes its premium filing(s) for its second 2005 plan year, the references in these instructions and on Form 1-ES to the 2004 plan year (and to filings and notices for the 2004 plan year) should be considered to refer to the plan’s first 2005 plan year (and to filings and notices for that plan year), because that is the plan’s most recent complete plan year. Similarly, if your plan had two plan years beginning in calendar 2004, the references in these instructions and on Form 1-ES to the 2004 plan year (and to filings and notices for the 2004 plan year) should be considered to refer to the plan’s second 2004 plan year, which is the plan’s most recent complete plan year.

Payment Instructions

Indicate in item 8(b) whether you are paying your estimated premium by check or electronic transfer. If you pay by check, write the plan’s EIN/PN (from item 3(a) and (b) of the form) and the date the premium payment year commenced (PYC) on the check and send the check with Form 1-ES. If you pay by electronic transfer, make the transfer as described in item 2.d. under “CONTACTS” on p. 2.

Report the EIN/PN from item 3(a) and (b), and the date the premium payment year commenced (PYC), in the payment ID line of the electronic transfer in the format “EIN/PN: XX-XXXXXXX/XXX PYC: MM/DD/YY.”

To ensure proper credit, you must file a separate Form 1-ES and make a separate estimated premium payment for each plan. Do not combine estimated premiums for different plans in one payment. Send the completed Form 1-ES to the address in item 2.a. or 2.b. under “CONTACTS” on p. 2.

If You Need Additional Forms

To obtain additional sets of the 2005 Form 1-ES or copies of the 2005 Estimated Premium Payment Package (or any other PBGC premium forms or instructions), or for help with questions about filing Form 1-ES or making electronic transfers or with other premium-related questions or requests, contact us as described in item 3. under “CONTACTS” on p. 2.

If you are a pension practitioner serving many covered plans and wish to receive a bulk shipment of the Estimated Premium Payment Package and Form 1-ES, use the order blank on the inside back cover of this Estimated Premium Payment Package. PBGC’s 2005 forms and instructions also are available through the offices of the Employee Benefits Security Administration (EBSA) of the U.S. Department of Labor listed on the inside back cover.

Additional Instructions

Clearly print or type information in the boxes. The plan administrator must sign and date the certification at the bottom of the form. Beneath the signature line, print or type the name of the individual who signs and provide a daytime telephone number.

Your filing should be sent **without** a cover letter. If you need to submit additional information with your filing, it should be in an attachment.

Online Premium Filing with My PAA

1. Introduction to My PAA

My Plan Administration Account (My PAA) is a secure, Web-based application that enables you to electronically submit premium filings and payments to PBGC.

Using My PAA, you can easily and accurately submit any type of PBGC premium filing for plan years beginning in 2004 and later. In addition, by setting up an “e-filing team” within My PAA, you can collaborate online with your colleagues or clients to prepare, review, authorize, and submit filings with payments. Team members electronically “route” filings to each other for input and authorization.

Advantages of e-filing include:

- Filing data validation ensures accuracy.
- Automation features ease filing preparation.
- Electronic receipts are provided instantly upon filing submission.
- Filings reach PBGC in seconds, rather than days.
- Using only the Web and e-mail, practitioner teams can prepare, review, authorize, and submit filings with payments.
- Practitioners can track multiple plans and filings in real time.

- Premium payments can be sent by one of three convenient electronic payment methods: ACH, Electronic Check, or Credit Card.

2. How to Get Started with My PAA

a. Filing Coordinator for a Plan is Determined

Each plan that will use My PAA to prepare and submit premium filings online must determine the person who will be responsible for coordinating the overall online filing process, which includes setting up the plan within My PAA and inviting others to join the plan's e-filing team. This person is called the Filing Coordinator.

Once the Filing Coordinator for a plan has been determined, he or she registers to use My PAA as described in Step 2 below. If you will serve as the Filing Coordinator for several plans, you will be able to add other plans to your account after you complete the registration process for the first plan (see Step 4 below). You need only one account, to which you can add an unlimited number of plans.

Note that if you will not be fulfilling the role of Filing Coordinator, then you should not register to use My PAA as described in Step 2 below. You should wait until you receive an e-mail from My PAA on behalf of the Filing Coordinator with instructions on how to register (see Step 3 below).

b. Filing Coordinator Registers to Use My PAA

When you register to use My PAA, you will provide information about yourself and one of the plans for which you will be the Filing Coordinator. After you complete the registration process, you will have a My PAA account that will include the plan you submitted when you registered.

Your My PAA account will include the following information:

- Your name and e-mail address;
- The User ID and Password you will use to log in to My PAA;
- The pension plan(s) for which you contribute filing information (you can add other plans to your account once you complete registration for the first plan);
- The permissions, or abilities, you have for each of these plans; and
- A security key (a secret question and answer combination that only you know) that you will use to complete certain transactions in My PAA, such as signing a filing.

To register for My PAA:

1. Access PBGC's website (www.pbgc.gov/mypaa) and click on the link "New users click here for more information or to sign up."
2. Read through the introduction information provided and click the "Filing Coordinator Sign Up Here" button at the bottom of the page.
3. Enter and submit the following information:
 - Your e-mail address;
 - Your employer's name and contact information;
 - The name and contact information of your plan's (or one of your plans') plan administrator and plan contact; and
 - Information from the plan's last premium filing (the participant count reported and the premium paid).
4. Receive your temporary user ID and password via e-mail and follow instructions to establish your permanent user ID and password.
5. When you are finished, you will see your "home page" that will list the plan you submitted when with your registration.
6. Once you have registered to use My PAA, you can:
 - Proceed to Step 3 where you will build the team of professionals who will use My PAA to contribute to the plan's filing; or
 - Proceed to Step 4 to add other pension plans to your account for which you are the Filing Coordinator.

c. Filing Coordinator Organizes an E-Filing Team and Team Members Establish a My PAA Account

The completion of a typical filing, including signatures and payment authorizations, often requires input from two or more people. Where paper filings are routed from person to person within an office or mailed between offices, e-filings can be accessed through My PAA by anyone who has been authorized to do so.

This group of people that will use My PAA to provide input for a specific plan's premium filings is called that plan's "e-filing team." E-filing teams are established by the Filing Coordinator.

Once a Filing Coordinator registers to use My PAA, he or she can invite other people to use My PAA to contribute to a plan's premium filings. Using My PAA, the Filing Coordinator enters information for each person who needs to be on the team, assigning them one or more "e-filing permissions," which determine the e-filing tasks that each person will be allowed to perform for the plan. These tasks include:

- Providing a plan administrator signature for an

e-filing;

- Providing an enrolled actuary signature for an e-filing;
- Providing payment authorization for an e-filing; and
- Electronically submitting e-filings with e-payments to PBGC.

To invite other people to be on your plan's e-filing team:

1. Access PBGC's website (www.pbgc.gov/mypaa) and enter your user ID and password.
2. Click the "Invite a Practitioner" button next to the applicable plan.
3. Enter and submit the following information for the person you are inviting:
 - First and last name;
 - Phone number;
 - E-mail address; and
 - Permissions that person should have for the plan.
4. Click the "Invite Practitioner" button.
5. My PAA will send that person an e-mail to tell them that they have been invited to contribute to your plan's premium filings.

Once the Filing Coordinator enters the applicable information, My PAA will send the invitee an e-mail on behalf of the Filing Coordinator. If the invitee does not already have a My PAA account, the e-mail will include instructions on how to establish a My PAA account. When the account is established, the plan for which the person was invited will be listed on the "home page." If the invitee already has a My PAA account, the plan will be listed on the "home page" the next time he or she accesses My PAA.

d. Filing Coordinator Adds Any Additional Plans to Account

Once you have registered to use My PAA (either by registering as a Filing Coordinator or by being invited by a Filing Coordinator), you can add other plans to your account. You should only add plans for which you will fulfill the role of the Filing Coordinator. If you are not the Filing Coordinator for a plan, that plan can only be added to your account when the Filing Coordinator invites you to join that plan's e-filing team.

To add each additional plan:

1. Access PBGC's website (www.pbgc.gov/mypaa) and enter your user ID and password.
2. Click the "Add Plan as Filing Coordinator" link in

the Plans section of your home page.

3. Complete the information requested, for example, about the plan (the participant count and amount paid on the last filing), plan administrator, and plan contact.
4. If appropriate, invite others to contribute to each plan's premium filings by clicking the "Invite a Practitioner" button for each person and completing the information requested.

3. How Filing Team Members Prepare and Submit Premium E-Filings and E-Payments

a. Initiating a draft e-filing

Once the Filing Coordinator has set up the plan's e-filing team, any team member can initiate a draft e-filing for the plan. My PAA will walk you through a step-by-step process to create this draft. On the first step, you will identify the type of filing to be submitted (estimated or final) as well as the type of plan (single-employer or multiemployer) for which the filing is being submitted. The information entered in each step determines the content of the successive steps, for example:

- If the selections made on the first step are for an estimated filing for a single-employer or multiemployer plan, the successive steps will request the same information as the paper Form 1-ES.
- If the selections made on the early steps are a final filing for a single employer plan that is exempt from the variable rate premium, the later steps will request the same information as the paper Form 1-EZ.

The person who starts the e-filing need not enter all of the information requested. That person should only complete as much information as possible and then save the draft e-filing. Any missing information can be entered later by the appropriate person (*e.g.*, the actuary).

b. Routing, reviewing, and signing the e-filing

Once a draft e-filing is started, e-filing team members can electronically "route" it to each other so that individual contributions can be made to it. The person routing the filing to another member of the e-filing team can include comments and instructions for the person to whom the filing is being routed.

When a filing is routed to another person, My PAA will send that person an e-mail (with instructions if entered) notifying them that they have been routed a filing requiring them to take action and that they are now "holding" that filing. Only the team member who "holds"

a filing is able to take action on it. Actions include editing the filing, signing it as a plan administrator or enrolled actuary, authorizing payment for it, and submitting it to PBGC.

All signatures and payment authorizations for an e-filing are acquired electronically from appropriate e-filing team members. Once a draft e-filing is created, My PAA will list the required signature(s) and payment authorization that must be obtained before it can be submitted to PBGC. Those e-filing team members who have been granted permission by the Filing Coordinator to electronically sign the e-filing or electronically authorize payment for it will do so from within My PAA.

Note that the Filing Coordinator has the option of taking back possession of an e-filing from any of the other team members if the Filing Coordinator believes this is necessary.

c. Selecting an electronic payment method

If the premium filing to be submitted to PBGC includes a premium amount due, you must use My PAA to make this payment. This means that an e-filing team cannot send paper checks or Fedwires to pay for e-filings. Rather, all e-filings must be paid using one of the following three electronic payment methods, which are selected from within My PAA:

Automated Clearing House (ACH) — This payment method involves the electronic transfer of funds from an account you specify to a PBGC account. You specify the account by entering the account number and bank routing code.

Electronic Check — This is the electronic equivalent to writing a paper check. It involves entering the check number of a (voided) paper check to conduct an electronic transfer of funds. Funds are transferred from the plan sponsor's checking account to a PBGC account.

Credit Card — My PAA currently accepts Visa and MasterCard as payment options. Please note that when you use a credit card to pay a premium, you will be charged a convenience fee (which is passed on to the credit card processor) of 2.87 percent of the total premium amount and that there is a \$99,999.99 limit (including the convenience fee).

Whichever one of the three e-payment methods is ultimately selected, premium payment funds are securely transferred through the Internet when the e-filing is submitted to PBGC.

d. Submitting the completed e-filing with payment

All of the following conditions must be fulfilled before My PAA will allow an e-filing team to electronically submit an e-filing to PBGC:

- All required information has been entered into the e-filing;
- An e-filing team member with plan administrator permission has provided his or her electronic signature for the e-filing; and
- If a payment is due, an e-filing team member with permission to authorize premium e-payments has provided his or her electronic authorization to make the premium payment.

Once all of the conditions are met, the Filing Coordinator or the person who has been authorized as the Plan Administrator can submit the e-filing and e-payment (if one is due) to PBGC.

e. Receiving an online receipt

Once an e-filing and any associated e-payment are submitted to PBGC, My PAA will display an electronic receipt. This receipt includes the date and time the e-filing was received by PBGC, a confirmation number, and data entered into the e-filing. This online receipt can be accessed in My PAA by any e-filing team member. (Note: The "Received Date and Time" that appears on the receipt is the exact moment that the e-filing's data "hits" PBGC's server in Washington, D.C. Rarely will it take more than a few minutes for this data to hit our server after being submitted.)

4. About My PAA Personal Accounts

Each individual who contributes to e-filings for one or more plans must establish a personal account in My PAA. Personal accounts are established only once, but information can be added to them as needed.

There are two ways that a personal account can be established:

- If an individual will function as a plan's Filing Coordinator, that individual's personal account is established as a result of registering to use My PAA. Filing Coordinators are the individuals responsible for coordinating the online creation and submission of a plan's e-filings.
- An individual will establish a personal account if invited by a plan's Filing Coordinator to join that plan's e-filing team. The individual's account is established when the individual accepts the Filing Coordinator's invitation and completes the first-time

log-in process. If you have not been selected to serve as a Filing Coordinator, but you anticipate using My PAA as a member of an e-filing team, you must wait for a Filing Coordinator to invite you to register for an account.

Every individual's personal account functions the same way, despite the way it was established. Every individual's personal account keeps track of the following information:

- The individual's log-in information (User ID and Password)
- The individual's security key (a secret question / secret answer combination)
- The names of the plan or plans for which the individual serves as an e-filing team member. An individual can serve as an e-filing team member for an unlimited number of plans. Since personal accounts are established only once, an individual does not establish a new account for each plan to which the individual will make a contribution. Rather, the additional plans for which the individual becomes an e-filing team member are simply added to the individual's existing account.

- The e-filing permissions that the individual has for each of his or her plans. An individual's e-filing permissions determine what e-filing tasks the individual can perform as a member of each e-filing team in which the individual participates. An individual's e-filing permissions may be different for each of the individual's plans. For example, an individual may have permission to sign e-filings and approve e-payments as a member of Plan A's e-filing team, but only have permission to approve e-payments as a member of Plan B's e-filing team.

Questions about My PAA?

If you have questions about e-filing with My PAA, please send an e-mail message to premiums@pbgc.gov or call PBGC's toll-free practitioner number, 1-800-736-2444, and select the "premium" option. Note: TTY/TDD users may call the Federal Relay Service toll-free at 1-800-877-8339 and ask to be connected.

To get started using My PAA, please visit PBGC on the Web at www.pbgc.gov.

EMPLOYEE BENEFITS SECURITY ADMINISTRATION OFFICES

In addition to being able to obtain PBGC premium forms and instructions from the PBGC (see item 3. under "CONTACTS" on p. 2) you may obtain our forms and instructions through the following offices of the Employee Benefits Security Administration (EBSA) of the U.S. Department of Labor:
